Call (216) 844-3070 for more information or to register for the event. Please provide participant name, phone number, age, t-shirt size (Youth S, M, L or Adult S, M, L), and number of people for lunch. Participants who are currently on treatment and patients who have had a stem cell transplant within the last year need medical clearance from their oncology nurse or physician.

2nd Annual Soccer Skills Clinic for Kids with Cancer

- Featuring Hector Marinaro, Professional Soccer Player and Former Member of the Cleveland Force Soccer Team and Ali Kazemiani, Member of the 1984 US Olympic Soccer Team
- Free of charge – Advanced Registration Required
- Participants receive a free t-shirt, shin guards and soccer ball

The purpose of this event is to encourage cancer patients to be active and to recognize the health benefits of physical activity. The event is intended for kids both on-treatment and off-treatment. Activities are planned for a variety of ages, skill levels, and physical abilities. Siblings may participate only in the lunch and free play time from 12:30–1:30.

This event is presented by the Rainbow Center for Survivors of Childhood Cancer and is made possible again this year by a generous gift from Mrs. Iris Wolstein in memory of her husband Bert L. Wolstein. Special thanks also to Lost Nations Sports Park for use of their wonderful facility and to the Ohio Youth Soccer Organization for providing soccer balls.
