

The UH Rainbow Care Network

The most trusted name in pediatric care is closer than ever. At University Hospitals Rainbow Babies & Children's Hospital, we have an expansive pediatric care network — including more than 100 pediatric primary care providers at 30 locations, medical and surgical specialty care, urgent and emergent care and neonatal care. That means your family has access to nationally recognized pediatric specialists no matter where you live in Northeast Ohio. To find a pediatrician or UH Rainbow Care Network location near you, call 216-UH4-KIDS (216-844-5437) or visit RainbowBabies.org.
