

Christopher M. Bailey, PhD

**University Hospitals
Case Medical Center
11100 Euclid Avenue
Cleveland, OH 44106-5040**

**Phone: (216) 844-3422
Fax: (216) 983-0792
E-mail: Christopher.Bailey2@UHhospitals.org**

CURRENT POSITION

**Neuropsychologist
University Hospitals Case Medical Center**

ACADEMIC AND HOSPITAL APPOINTMENTS:

2009-present

Assistant Professor; Case Western Reserve Univ. School of Medicine, Cleveland, OH

2009-present

Neuropsychologist; Department of Neurology; Univ. Hospitals Case Medical Center, Cleveland, OH

EDUCATION & TRAINING:

Education

2007 Clinical Psychology Ph.D.; Department of Psychology, The Pennsylvania State University, University Park, PA

2006-2007 Predoctoral Intern; Department of Psychiatry, Univ. of North Carolina School of Medicine, Chapel Hill, NC

2003 Clinical Psychology M.S.; Department of Psychology, The Pennsylvania State University, University Park, PA

2001 Psychology B.A.; Department of Psychology, Ohio University, Athens, OH

Postgraduate Training

2007-2009 Chief Postdoctoral Fellow in Neuropsychology; Department of Psychiatry & Neurobehavioral Sciences, Univ. of Virginia Health System / Western State Hospital, Charlottesville, VA

Thesis Defense Committee

Premorbid measures and sports-related concussion: Accuracy and appropriateness.

Committee: Arnett, P.A., Hillary, F.H., Ray, W.J., Blair, C.B., & Echemendia, R.J.

PROFESSIONAL EXPERIENCE:

Academic

2008-2009 Principle Investigator; Department of Psychiatry, Univ. of Virginia Health System / Western State Hospital, Charlottesville, VA

2008-2009 Neuropsychology Seminar Lecture Series Coordinator; Department of Psychiatry and Neurobehavioral Sciences, Univ. of Virginia Health System, Charlottesville, VA

2006-2007 Research Lab Member; Sports Medicine Research Laboratory, University of North Carolina, Chapel Hill, NC

2005-2006 Psychology Teaching Fellow; Department of Psychology, The Pennsylvania State University, University Park, PA

2001-2006 Lab Coordinator/Research Assistant; Penn State Concussion Laboratory, The Pennsylvania State University, University Park, PA

2002-2005 Teaching Assistant; Department of Psychology, The Pennsylvania State University, University Park, PA

1999-2001 Research Coordinator; Department of Psychology, Ohio University, Athens, OH

Non-Academic

2003-2006 Private Practice Neuropsychological Assistant; Psychological and Neurobehavioral Associates, State College, PA

2001-2005 Clinical Trainee (Practica); Department of Psychology, The Pennsylvania State University, University Park, PA

2002-2004 Neuropsychological/Clinical Assistant; Department of Psychology, The Pennsylvania State University, University Park, PA

HONORS AND AWARDS:

2009 University of Virginia Medical Psychology Fellowship Scholar Award

2004 & 2005 National Academy of Neuropsychology (NAN) Student Research Award

2000 Ohio University Gaige Paulsen Senior Psychology Scholarship Award

1998-2000 Ohio University Deans Scholarship Award

PROFESSIONAL SOCIETIES:

American Psychological Association

International Neuropsychological Society

National Academy of Neuropsychology

Ohio Psychological Association

AD HOC REVIEWER:

Journal of Clinical and Experimental Neuropsychology

Journal of Head Trauma Rehabilitation

Journal of the International Neuropsychological Society

Journal of the National Academy of Neuropsychology

INVITED PRESENTATIONS:

1. Bailey, C. M. (2008). *Motivation/Effort issues in neurocognitive testing of athletes*. Presentation made at the National Academy of Neuropsychology Sports Concussion Symposium in New York, NY.

2. Bailey, C. M., Echemendia, R.J., & Arnett, P.A. (2008). *The impact of motivation on sports-related concussion neuropsychological performance in college athletes*. Presentation made at the American College of Sports Medicine conference in Indianapolis, IN.

3. Bailey, C. M. & Bass, L.A. (2008). *Clinical and Neuropsychological Presentation of Frontotemporal Dementia: A Case Study*. Presentation made at the psychiatry grand rounds of Western State Hospital in Staunton, VA.

4. Bailey, C. M., Echemendia, R.J., Arnett, P.A. (2005). Visual memory predicts concussion status independent of verbal memory and post-mild traumatic brain injury symptoms in college athletes.

Presentation made at the International Neuropsychological Society (INS) conference, St. Louis, Missouri.

5. Bailey, C. M., Smith, M.S., Roper, J.G. (2005). *Mental health and the work place*. Workshop provided to the College of Liberal Arts faculty and staff at the Pennsylvania State University.

BIBLIOGRAPHY:
