

**Patrick J. Getty, M.D.**

Department of Orthopaedic Surgery  
Case Western Reserve University School of Medicine  
University Hospitals Case Medical Center  
11100 Euclid Avenue  
Cleveland, Ohio 44106-5043  
Phone: (216) 844-3033

**CURRENT POSITIONS:**

Associate Professor, Department of Orthopaedics, Case Western Reserve University

Program Director, Orthopaedic Surgery Residency, Case School of Medicine

Medical Director, Musculoskeletal Oncology, University Hospitals Seidman Cancer Center

Chief of Orthopaedic Surgery, Cleveland Wade Park Veterans Administration Medical Center

**EDUCATION:**

Undergraduate	University of Michigan, Ann Arbor, Michigan 1983-1984, Microbiology
	University of Illinois, Champaign/Urbana, Illinois 1984-1987, Bachelor of Science - Microbiology
Graduate	University of Chicago Pritzker School of Medicine 1987-1991, Doctor of Medicine

**POSTGRADUATE TRAINING:**

Internship	University of Chicago Medical Center Surgery Internship, 1991-1992
Residency	University of Chicago Medical Center Orthopaedic Surgery, 1992-1996
Fellowship	University of Chicago Medical Center Orthopaedic Oncology, 1996-1997
Research Fellowship	University of Chicago Medical Center Orthopaedic Oncology, Molecular Oncology, 1997-1999

**PROFESSIONAL APPOINTMENTS:** Assistant Professor  
Department of Orthopaedics  
Case Western Reserve University  
1999 – 2011

Section Chief, Orthopaedic Oncology  
Department of Orthopaedics  
University Hospitals Case Medical Center  
1999 – Present

Medical Director, Musculoskeletal Oncology  
University Hospitals Seidman Cancer Center  
2000 – Present

Chief of Orthopaedic Surgery  
Cleveland Veterans Administration Medical Center  
2006 – Present; Attending Physician 1999 – Present

Program Director, Orthopaedic Surgery Residency  
Case School of Medicine  
January 1, 2010 – Present

Associate Professor  
Department of Orthopaedics  
Case Western Reserve University  
2011 – Present

**LICENSURE:** State of Ohio

**EXAMINATIONS:** National Boards - Part I (6/89) - Passed  
National Boards - Part II (9/90) - Passed  
National Boards - Part III (3/92) - Passed  
A.B.O.S. - Part I (7/96) - Passed  
A.B.O.S. - Part II (7/01) - Passed

**BOARD CERTIFICATION:** American Board of Orthopaedic Surgery, 2001

**HONORS  
AND AWARDS:** 1984 - 1987 - Dean's List (6 of 8 semesters)  
1987 - Departmental Distinction (Microbiology)  
1987 - Cum Laude  
1997 - American Orthopaedic Association C. Howard  
Hatcher Fellowship  
2006 - Among "Top Docs"—as rated by other MDs—in  
*Cleveland Magazine*  
2007 - Among "Top Docs"—as rated by other MDs—in  
*Cleveland Magazine*  
2008 - Among "Top Docs"—as rated by other MDs—in  
*Cleveland Magazine*

- 2008 - Educator of the Year Award, Department of Orthopaedics, Case Medical Center
- 2009 - Among "Top Docs"—as rated by other MDs—in *Cleveland Magazine*
- 2009 - Elected to Membership in the American Orthopaedic Association
- 2010 - Among "Top Docs"—as rated by other MDs—in *Cleveland Magazine*
- 2011 - Among "Top Docs"—as rated by other MDs—in *Cleveland Magazine*

**PROFESSIONAL SERVICE:**

**National Service:** Medical Board of Trustees, Musculoskeletal Transplant Foundation, 2002 – Present

Member of American Board of Orthopaedic Surgery (ABOS) Written Examination Question-Writing Task Force, 2003 – Present

**Hospital Committees:** Consultant to the University of Chicago Hospitals Transformation Committee, 1993 - 1994

Member of the University of Chicago Patient Care Committee, 1994 - 1996

Quality Assurance Director, Department of Orthopaedic Surgery, University Hospitals of Cleveland, October 2001- October 2002

**Academic Service:** Director of Graduate Orthopaedic Education, Department of Orthopaedic Surgery, Case Western Reserve University, September 2002 - Present

Case School of Medicine Faculty Council Representative from the Department of Orthopaedic Surgery, July 1, 2003 – June 30, 2005

Program Director, Orthopaedic Surgery Residency, Case School of Medicine, January 1, 2010 – Present

## TEACHING ACTIVITIES:

### Orthopaedic Residency Leadership:

Director of Graduate Orthopaedic Education,  
Department of Orthopaedic Surgery, Case Western  
Reserve University, September 2002 – Present

Program Director, Orthopaedic Surgery Residency,  
Case School of Medicine, January 1, 2010 – Present

## RESEARCH EXPERIENCE:

1985 - 1986

University of Illinois, Department of Agronomy  
Dr. Joseph Stucki  
Bacterial Reduction of Iron in Soil

1986 - 1987

University of Illinois, Department of Microbiology  
Dr. Carol Muster  
Transposition Immunity in Tn3 and Related Bacterial  
Transposons

1988 - 1989

University of Chicago, Department of Medicine  
Section of Infectious Disease, Dr. Paul Arnow  
Subtyping of *Aspergillus* Species

1994 - 1996

University of Chicago, Department of Surgery  
Section of Orthopaedic Surgery, Dr. John Martell  
1) A Computerized Radiographic Analysis of Femoral  
Neck Trabecular Bone Texture As a Prediction of  
Bone Strength  
2) Development of a Confocal Microscopic Technique  
for Non-Destructive Histomorphometric Analysis

1997 - 1999

University of Chicago, Department of Surgery  
Section of Orthopaedic Surgery, Dr. Michael Simon  
Department of Medicine, Section of Hematology and  
Oncology, Dr. Michelle LeBeau  
1) Delineation and Characterization of Commonly  
Deleted Portion of Chromosome Arm 20q in Myeloid  
Leukemias  
2) Identification of Putative Tumor Suppressor Genes  
in Osteosarcoma  
3) Evaluation of MAGE Expression in Osteosarcoma

### Grants:

- 1) Research Fellow, NIH/NCI Training Grant  
T32 CA 095676-10
- 2) Bear Necessities Pediatric Cancer Foundation  
(Identification of Putative Tumor Suppressor Genes  
in Osteosarcoma)

### **PRESENTATIONS:**

#### **National Presentations**

1. Getty P, Martell J: Confocal Imaging of Trabecular Bone: A New, Non-Destructive Method of Histomorphometry. Presented at AOA Resident's Conference, Pittsburgh, Pennsylvania, March 1995.
2. Getty P, Martell J: Comparison of New, Non-Destructive Method of Bone Histomorphometry to Current Standard Techniques. Presented at AOA Resident's Conference, Baltimore, Maryland, March 1996.
3. Getty P, Peabody T, Simon M: Osteoarticular Allograft Reconstruction of the Proximal Humerus. Presented at the Ninth International Symposium of the International Society of Limb Salvage, New York, New York, September 1997.
4. Patel MM, Hoang BH, Getty PJ: Treatment of Fibrous Dysplasia with Oral Alendronate: A Preliminary Report. Presented at the 25th Annual Meeting of the Musculoskeletal Tumor Society, Toronto, Ontario, April 25-27, 2002.
5. Robbin M, Getty PJ, Young PC, Kirkham J, Malguria N, Lewin J: CT-Guided Radiofrequency Thermal Ablation of Osteoid Osteoma. Poster presented at the Annual Meeting of the Radiological Society of North America (RSNA), Chicago, Illinois, November 30-December 5, 2002.
6. Robbin M, Getty PJ, Patel DL, Kirkham JA, Young PC, Lewin JS: Radiofrequency Ablation of Osteoid Osteoma. Paper presentation at the Society of Skeletal Radiology SSR, March 2-5, 2003.
7. Cystic Lesions of Bone and Soft Tissue—How Can You Be Sure? Presentation at Symposium: Oncologic Pitfalls and Solutions for the General Orthopaedics, American Academy of Orthopaedic Surgeons, San Francisco, California, March 12, 2004.

## Regional and Local Presentations

1. Orthopaedic Molecular Oncology. Department of Orthopaedic Surgery Grand Rounds, University Hospitals of Cleveland, November 1999.
2. Limb Salvage Surgery in Children. Department of Pediatrics Grand Rounds, University Hospitals of Cleveland, January 27, 2000.
3. Pediatric Malignant Bone Tumors. Pediatric Grand Rounds, Trumbull Memorial Hospital, Warren, Ohio, June 2, 2000.
4. Metastatic Disease to Bone—Basic Science. Department of Orthopaedic Surgery Grand Rounds, University Hospitals of Cleveland, October 23, 2000.
5. Limb Salvage Surgery in Children. Pediatric Surgery Grand Rounds, University Hospitals of Cleveland, October 31, 2000.
6. Limb Salvage Surgery in Children. Department of Orthopaedic Surgery Grand Rounds, University Hospitals of Cleveland, September 8, 2001.
7. Fibrous Lesions of Bone. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 11, 2002.
8. Cystic Lesions of Bone. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 11, 2002.
9. Benign Bone Tumors in Children. Department of Pediatrics Grand Rounds, University Hospitals of Cleveland, October 24, 2002.
10. Lumps and Bumps. Pediatric Hematology-Oncology . . . A 21<sup>st</sup> Century Approach, University Hospitals of Cleveland, December 3, 2002.
11. Bone and Joint Neoplasm. School of Medicine (second-year class), Case Western Reserve University, December 4, 2002.
12. Limb Salvage Surgery for Malignant Pediatric Bone Tumors. Orthopaedic Grand Rounds, University of Cincinnati, April 2, 2003.
13. Bone-Forming Lesions. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 17, 2003.
14. Permeative Lesions of Bone. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 17, 2003.
15. Bone and Joint Neoplasm. School of Medicine (second-year class), Case Western Reserve University, December 3, 2003.
16. Management of Common Musculoskeletal Tumors. UHHS Grand Rounds, University Hospitals Health System, May 19, 2004.

17. Malignant Tumors of Bone. Orthopaedic Surgery Grand Rounds, University Hospitals of Cleveland, May 6, 2004.
18. Bone-Forming Lesions. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 15, 2004.
19. Permeative Lesions of Bone. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 15, 2004.
20. Benign Tumors of Bone. Orthopaedic Surgery Grand Rounds, University Hospitals of Cleveland, October 20, 2004.
21. Bone and Joint Neoplasm. School of Medicine (second-year class), Case Western Reserve University, December 2, 2004.
22. Pediatric Bone Tumors. Orthopaedic Surgery Grand Rounds, University Hospitals of Cleveland, July 13, 2005.
23. Metastatic Disease to Bone. Orthopaedic Surgery Grand Rounds, University Hospitals of Cleveland, July 27, 2005.
24. Pediatric Bone and Soft Tissue Tumors. Family Medicine Orthopaedic Lecture, University Hospitals of Cleveland, October 6, 2005.
25. Bone-Forming Lesions. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 14, 2005.
26. Permeative Lesions of Bone. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 14, 2005.
27. Bone and Joint Neoplasm. School of Medicine (second-year class), Case Western Reserve University, November 16, 2005.
28. Lumps and Bumps. Orthopaedic Update for Primary Care Physicians, Case Western Reserve University School of Medicine and University Hospitals of Cleveland, November 19, 2005.
29. Growth and Metastasis of Musculoskeletal Tumors. Orthopaedic Surgery Grand Rounds, University Hospitals Case Medical Center, February 15, 2006.
30. Bone and Joint Neoplasm. School of Medicine (second-year class), Case Western Reserve University, April 24, 2006.
31. Bone Tumors. Orthopaedic Update for Primary Care Physicians, Case Western Reserve University School of Medicine and University Hospitals of Cleveland, September 16, 2006.
32. Framing Lecture for Thigh Anatomy. Case School of Medicine [Surgical Anatomy: Musculoskeletal], September 25, 2006.
33. Bone-Forming Lesions. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 13, 2006.

34. Permeative Bone Lesions. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 13, 2006.
35. Fibrous Lesions of Bone. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 14, 2006.
36. Malignant Tumors of Bone. Orthopaedic Surgery Grand Rounds, University Hospitals Case Medical Center, May 2, 2007.
37. Metastatic Cancer to Bone. Cancer Conference, St. John West Shore Hospital, Westlake, Ohio, May 10, 2007.
38. Benign Tumors of Bone. Orthopaedic Surgery Grand Rounds, University Hospitals Case Medical Center, October 3, 2007.
39. Growth and Metastasis of Musculoskeletal Tumors. Orthopaedic Surgery Grand Rounds, University Hospitals Case Medical Center, April 16, 2008.
40. Bone-Forming Lesions. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 10, 2008.
41. Benign Soft Tissue Tumors. Musculoskeletal Pathology Review Course, SUMMA Health Systems, Akron, Ohio, October 10, 2008.
42. Bone and Cartilage Neoplasm. School of Medicine (second-year class), Case Western Reserve University, December 1, 2008.
43. Review: Bone and Cartilage Neoplasm. School of Medicine (second-year class), Case Western Reserve University, December 1, 2008.
44. Benign Soft Tissue Tumors. The Ninth Annual Orthopaedic Oncology In-Training Review. SUMMA Health Systems, Akron, Ohio, October 2, 2009.
45. Bone-Forming Lesions. The Ninth Annual Orthopaedic Oncology In-Training Review. SUMMA Health Systems, Akron, Ohio, October 2, 2009.
46. Soft Tissue Sarcoma of the Extremities. Cancer Conference. St. John West Shore Hospital, Westlake, Ohio, October 22, 2009.
47. Growth of Musculoskeletal Tumors. Orthopaedic Surgery Grand Rounds, University Hospitals Case Medical Center, February 17, 2010.
48. Metastatic Bone Disease and Pathological Fractures. Orthopaedic Surgery Grand Rounds, University Hospitals Case Medical Center, September 1, 2010.
