

UH OUTPATIENT REHABILITATION SERVICES

Referral Guide for Physical Therapy, Occupational Therapy and Speech Therapy

University Hospitals is a health care leader in Northeast Ohio and our UH Rehabilitation Services offers comprehensive outpatient services and state-of-the-art care designed to meet each person's individual needs. We offer a wide variety of specialized therapy programs at convenient locations and employ our area's most experienced rehabilitation professionals. Our team of licensed clinicians is uniquely skilled at addressing injuries, post-surgical needs, aches, pains and impairments related to various health problems, while promoting healing and returning people to the activities they love.

To connect with one of our outpatient locations, call the facility directly or the UH Outpatient Rehabilitation Hotline at **216-286-REHAB** or **216-286-7342**.

UH Outpatient Rehabilitation Services

University Hospitals Outpatient Rehabilitation Services helps adults of all ages regain independence, function and confidence. Our experienced physical therapists, occupational therapists, and speech-language pathologists work one-on-one with people who have acute or chronic illness, following major or minor surgery and after a traumatic injury. Traditional and specialty services are offered at multiple community locations throughout Northeast Ohio.
