- University Hospitals (UH) is a charitable organization that provides care to individuals regardless of their ability to pay; all individuals are treated with respect, regardless of their individual financial circumstances.
- UH may provide charity care, referred to in this policy as, financial assistance, 100% discounted care, or discounted care, to individuals who are patients at UH hospital facilities ("Hospital Facilities")¹. This Policy applies to the Hospital Facilities listed in Addendum 3 and those entities identified in Addendum 4.

- UH Hospital Facilities will provide financial assistance, including 100% Discounted Care² or Discounted Care³ to individuals who meet the following eligibility criteria:
 - Insured or uninsured with a household income of 0%-400% of the Federal Poverty Guidelines as described in Addendum 1, Exhibit A; or

¹ This Policy applies to Hospital Facilities that are required to be registered with the Ohio Department of Health as a hospital.

³ "Discounted Care" means care that has been discounted to the rate set forth as the "Amount Generally Billed" ("AGB") more fully described in Addendum 2.

- Where an individual fails to apply for financial assistance, UH may conduct a presumptive eligibility analysis to determine if the individual qualifies for financial assistance.
- UH may grant financial assistance at any time during the care process and until all accounts for each individual are resolved.
- Participating Facilities shall take measures to widely publicize this Policy, and a plain language summary of this Policy, within the community and on the UH website.
- If an individual does not qualify under this Policy for financial assistance, he or she may request that his or her case be reviewed by a UH financial counselor.

Policy

1. Individuals can apply for financial assistance at any time up to two hundred and forty (240) days after the date of their first post-discharge billing statement.
2. Financial assistance will be determined in accordance with this Policy. Such determination will be evaluated using the following tools:
 - 2.1 Financial assistance application form - the individual or the individual's guarantor is required to cooperate and supply personal, financial and other information and documentation relevant to making a determination of financial need. Instructions regarding how to complete the financial assistance application form can be found on the application form. A financial assistance application form may be obtained at <https://www.uhhospitals.org/myuhcare/pay-my-bill/financial-assistance>; and
 - 2.2 Individual's available assets – the individual or the individual's guarantor is required to provide an accounting of financial resources readily available to the individual. Bank statements are the required form of documentation to support household income. In the event that a patient does not have a bank account, an attestation indicating such must be included with the application. Household income may then be verified using any or all of these items; W2's, credit score, current state or federal tax return, payroll stubs. Monetary assets shall include all assets for an individual except for their primary residence or amounts held in pension or retirement plans.
 - 2.3 Prior to evaluating any application to determine if an uninsured individual meets the requirements for financial assistance, the individual is required to show proof that he or she, if eligible, has applied for Medicaid coverage or insurance coverage through the Federal Health Insurance Marketplace. Eligible patients are required to pursue coverage through the Marketplace during open enrollment periods and/or when they have a qualifying event to cover their cost of care for future visits.

3. UH may not deny financial assistance under this Policy based on an individual's failure to provide information or documentation that is not clearly described in this Policy or the financial assistance application.
4. Participating Facilities will provide financial counseling for individuals needing assistance in completing the financial assistance application. Individuals requiring assistance from a UH Finance Counselor may contact 866-771-7266 Monday through Friday 9 AM to 4 PM EST. UH's 2022 and 2023 Amounts Generally Billed Rate by Facility:

Only accounts that were adjudicated during the calculation period are included in the calculation.

The calculation will be refreshed every year on December 31 and put into effect on January 1 of the following year and that calculation will be used to adjust charges for services for the next fiscal year.

The calculation of AGB is the percentage of Expected Reimbursement (the amount allowed by the insurer) divided by total charges as noted below. Each UH Facility's AGB percentage has been calculated separately. For example:

Total Charges	\$10,000
Expected Reimbursement	\$ 3,800

GOV-2 – Financial Assistance Policy

AGB Rate = 38%

Expected reimbursement is defined as the payment amount expected to receive for a given service based on the amount agreed upon between UH and the insurance payer.

Insurance categories included in the calculation are Medicare, Anthem, Commercial, HMO, MMO, PPO, and Managed Care.

Insurance categories specifically excluded from the calculation are Medicare HMOs, Medicaid, Medicaid HMOs, Other Expected Self Pay Plans, Other Government Payers, and Patient Self Pay.

For any patient UH determines is eligible for financial assistance, and who has paid more than the amount UH determines that patient to be responsible, UH will refund such excess amount (regardless of whether that patient's account is outstanding or closed).
