

Harrington Prize for Innovation in Medicine 2020 Nomination Guidelines

Deadline for Nominations: August 27, 2019 at 11:59 PM EDT

Full Nomination Overview

Below is the list of sections you will be asked to fill out in your online nomination. To access and submit your online nomination, please log in to HarringtonDiscovery.SmartSimple.com.

1. Nominee + Nominator Information

2. Nominee's Achievement

Please include a 250 - 500 word description of the achievement notable for innovation, creativity and clinical application.

3. Support Materials

- **Investigator's Biographical Sketch in NIH Format**
Please follow the NIH format, but also include pending support, applications submitted or pending funding, in Section D. If there is no pending support, state "Pending Support: None". Please keep the biographical sketch to a 5-page maximum, uploaded in PDF format.
- **Brief Bibliography**
List a maximum of up to 10 best references
- **Letter from the Nominee Regarding Speaking Engagements**
The nominee must write a letter confirming availability to lecture at the AAP-ASCI-APSA Joint Meeting on April 3-5, 2020, as well as the availability to attend and speak at the annual Harrington Discovery Institute Scientific Symposium on May 20-21, 2020.
- **Letter of Support**
Provide one letter of support from the dean, provost or president of the investigator's institution.

Please Note

- Word and page counts must be strictly adhered to.
- Incomplete nominations will not be presented to the nomination committee.
