Addendum 1

Financial Assistance & Medical Indigence

Exhibit A

Financial Assistance Grid – Uninsured, Underinsured, and Insured *

Federal Poverty Guideline	0-250%	251-400%			
Discount	100%	AGB			

*Ohio HCAP Law is a 100% discount for individuals with a household income of 0-100%.

Exhibit B

Patients who do not qualify under Exhibit A above may still qualify for financial assistance if they can demonstrate that their medical expenses exceed an established percentage of their family income outlined below.

Expenses must have occurred within the calendar year and be considered medically necessary or be emergency hospital and physician services, pharmaceutical drugs, or durable medical equipment. Patients wishing to be considered for discounts under this policy must provide requested documentation of income, residence and qualifying medical expenses in a timely manner.

Medical Indigence**

FPL	401-600%	≥ 601%
Max Liability as a % Household Income	10%	15%

** At no time will the Max Liability as a % of Household Income exceed AGB.

Addendum 2 Amounts Generally Billed

Per Treasury Regulation § 1.501 (r), hospitals may not charge an individual who qualifies under this Financial Assistance Policy more than the discount determined under this policy (including Addendum 1) and at no time greater than the Amounts Generally Billed (AGB) to Commercial carriers and Medicare.

UH's 2020 and 2021 Amounts Generally Billed Rate by Facility:

Facility	2021 Rate	2022 Rate
Ahuja	34%	35%
Cleveland Medical Center	41%	41%
Conneaut	46%	49%
Elyria	28%	28%
Geauga	29%	32%
Geneva	42%	36%
Parma	27%	28%
Portage	31%	33%
Regionals	36%	38%
Samaritan	53%	54%
St John	27%	30%
UH Home Care Services	76%	77%
UH Lake Health	N/A	28%
UH Medical Practices	66%	68%
UH Regional Practices	69%	70%

UH Facilities 2021-AGB rates cover the dates of services during the period of:
January 1, 2021 – December 31, 2021

UH Facilities 2022-AGB rates cover the dates of services during the period of:
January 1, 2022 – December 31, 2022

Only accounts that were adjudicated during the calculation period are included in the calculation.

The calculation will be refreshed every year on December 31 and put into effect on January 1 of the following year and that calculation will be used to adjust charges for services for the next fiscal year.

The calculation of AGB is the percentage of Expected Reimbursement (the amount allowed by the insurer) divided by total charges as noted below. Each UH Facility's AGB percentage has been calculated separately. For example:

Total Charges	\$10,000
Expected Reimbursement	\$ 3,800
AGB Rate =	38%

Expected reimbursement is defined as the payment amount expected to receive for a given service based on the amount agreed upon between UH and the insurance payer.

Insurance categories included in the calculation are Medicare, Anthem, Commercial, HMO, MMO, PPO, and Managed Care.

Insurance categories specifically excluded from the calculation are Medicare HMOs, Medicaid, Medicaid HMOs, Other Expected Self Pay Plans, Other Government Payers, and Patient Self Pay.

For any patient UH determines is eligible for financial assistance, and who has paid more than the amount UH determines that patient to be responsible, UH will refund such excess amount (regardless of whether that patient's account is outstanding or closed).
