

Patient Pricing Information

In compliance with state law, UH Parma Medical Center is providing this price list containing our charges for room and board, emergency department, operating room, delivery, physical therapy and other procedures. The hospital's charges are the same for all patients, but a patient's responsibility may vary, depending on payment plans negotiated with individual health insurers. Uninsured or underinsured patients should consult with our admitting and billing staff to determine whether they qualify for discounts. These prices are correct as of January 1, 2021.

If you received services at UH Parma Medical Center, your hospital charges are managed through the Central Business Office of University Hospitals.

Shortly after receiving services, you will receive your Personal Account Statement. The statement is generated and mailed to you at the same time your charges are submitted to your insurance carrier.

In addition to your hospital bill, you may receive separate bills from your physician or other professional service providers involved in your hospital care. If you have a question regarding your Hospital Based Physician Bill or would like to make payment, we ask that you contact them directly. Please refer to the Hospital Based Physician Information on this web site.
