

Idea Submission Form

10th Annual Belcher-Weir Family Pediatric Innovation Day (2018)

Please fill out this fillable PDF form and send the saved version to ideas@uhhospitals.org by **September 10, 2018**. Once you have submitted, you will hear back shortly with a confirmation. Thank you!

1 Please describe the problem you are trying to solve and why it is significant?

2 * Does your idea fall into one of the focus areas below? If "no," leave blank - please select only one:

- | | |
|---|--|
| <input type="checkbox"/> Preventing childhood obesity | <input type="checkbox"/> Care coordination for children with special health care needs |
| <input type="checkbox"/> Remote pregnancy monitoring | <input type="checkbox"/> Preventing opioid misuse in pregnant women and new moms |

** Some submissions may be encouraged to also submit to the US Health Resources and Services Administration's (HRSA) innovation challenge for 2018.*

3 Provide relevant background information and cite existing evidence that links to or supports your idea. If you've selected one of the focus areas above, link background info and evidence to it.

4 Describe your idea, including the methods and technologies involved.

Idea Submission Form (continued)

10th Annual Belcher-Weir Family Pediatric Innovation Day (2018)

5 Describe how your solution is innovative.

6 Describe how your idea could reach a significant number of end-users.

7 Describe your team.

8 If your idea falls into one of the four focus areas under question 2, describe how your innovation could be made available affordably to low-income communities.

9 If your idea falls into one of the four focus areas under question 2, describe how your innovation has the potential to ultimately have a high impact on low-income communities and families.

10 Describe your plan to test and measure potential impact on the end-users and/or communities where the innovation will be used.
