Here is the good news: Keeping your children safe does not have to be expensive.</p> <p>There are plenty of free things parents can do, and low-cost safety devices that can help make homes safer without breaking the budget. Consider the following tips to get started:</p> <ul style="list-style-type: none"> • Keep an eye on your children at all times. This is the best way to keep children safe and it does not cost a penny. • Keep poisonous items like medicines and cleaners locked away and out of reach of children. • Do not let children play on stairs, furniture, balconies, roofs, streets or parking lots. • Practice an escape plan with your family in case of a fire or other disaster. • Cook on back burners and keep handles facing away from the front of the stove so curious children cannot pull hot contents down on themselves. • Tape up any loose rugs firmly to the floor/carpet to avoid slips and slides of running toddlers. <p>Keeping Children Safe Is Priceless: The Safety Store Can Help</p> | <ul style="list-style-type: none"> • 12' roll of Edge Bumper • 4 Corner Bumpers |
