

Learn More about Radiation Therapy

Before you start treatment, your team would like you to watch a free program that help explains radiation and what to expect.

You can watch this program on a smart phone, tablet or any device with internet access.

What do I need to do?

Visit the website below and enter the code to view your program. Watch as many times as you like and feel free to share with your family and friends.

Screenshot of the Radiation Program

To watch the Introduction to Radiation Program:

Go to www.goemmi.com and enter code UHRADIATION
