

Accessing Your Vaccine Records

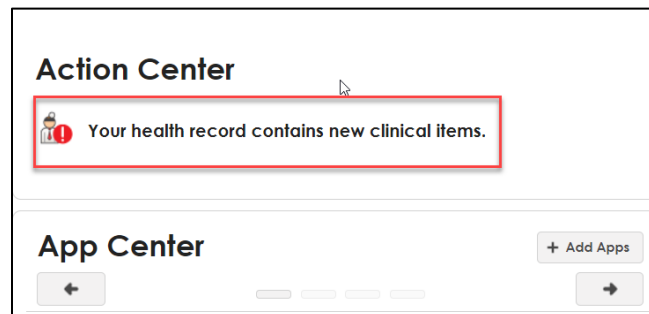

A copy of vaccination records can be found in your MyUHCare account or requested through Medical Records.

Steps for Viewing your Records Online (MyUHCare)

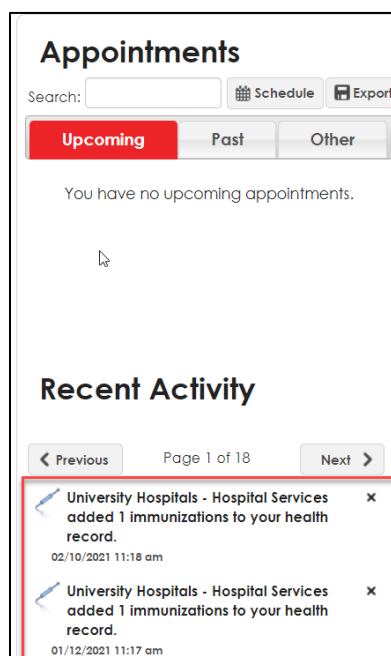

Log into your MyUHCare account. How you view the vaccine depends on when you received it.

Recent Vaccines

- Recently administered vaccines appear in two areas of the home page:
 - The **Action Center**, as shown below.

- They also appear in the **Recent Activity** section.

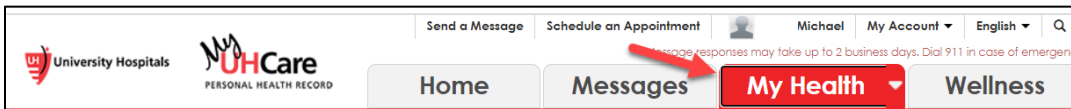

Click the description to view details about the vaccine.
