

## Women's Sexual Health Assessment

The Urology Institute's Female Sexual Health division is focused on addressing women's sexual health needs and concerns. If you are interested in learning more, your answers to the following questions will help us serve you better.

- |   | Yes                      | No                       |
|---|--------------------------|--------------------------|
| 1. In the past, was your level of sexual desire or interest better or more satisfying when compared to how it currently is? ..... | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. Has there been a decrease in your level of sexual desire or interest? .....  | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. Are you bothered by your decreased level of sexual desire or interest? .....   | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. Would you like your level of sexual desire or interest to increase? .....  | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. What factors do you feel may be contributing to your current decrease in sexual desire or interest?                            |                          |                          |

Check all that apply.

- An operation, depression, injuries, or other medical condition
- Medications, drugs, or Medications you are taking or alcohol use
- Pregnancy, recent childbirth, menopausal symptoms
- Other sexual issues you may be having (pain, decreased decreased arousal, inability to reach orgasm)
- Your partner's sexual problems
- Dissatisfaction with your relationship or partner
- Stress or fatigue

If you answered yes to any of the above, you're not alone and we can help.

Would you like to schedule an appointment with one of our female sexual health specialists? .....

Virtual appointments are available by request. If you check yes, our office will reach out to you, or you can call us to schedule an appointment with Anna Myers, CNP or Rachel Pope, MD at **216-844-3009**.
