

UH TRANSPLANT INSTITUTE

# Over 50 years of Innovation

1999: First Lung Transplant

1988: First Heart Transplant

1988: First Liver Transplant

1986: First Pancreas Transplant

1968: First Kidney Transplant

The UH Transplant Institute is proud of the success  
of our team having touched over 3,750 lives.

The science of health. *The art of compassion.*
