Ehlers-Danlos Syndrome (Eds) Support Group

January 12 | 6:45 – 8:45 p.m. | *North Royalton Library | 5071 Wallings Road North Royalton | Room 123*

The University Hospitals Ehlers-Danlos Syndrome (EDS) Support Group provides a welcoming and compassionate environment for individuals living with EDS, their families, and caregivers. Facilitated by knowledgeable healthcare professionals and peer leaders, this group offers a safe space to share experiences, ask questions, and gain valuable insight into managing life with EDS. Meetings focus on education, emotional support, and community-building. We meet the second Monday of every month. Topics often include symptom management, navigating healthcare systems, coping strategies, and the latest research and treatments. Guest speakers such as geneticists, physical therapists, and pain specialists may be invited to provide expert perspectives. Whether newly diagnosed or living with EDS for years, participants find encouragement, understanding, and practical tools to enhance their quality of life. The group is open to all EDS subtypes and strives to foster a sense of empowerment and resilience within the EDS community. There is no cost to attend. For more information or to register, please contact Lauren Napoli, senior PTA at **440-877-9120** or via email at lauren.napoli@uhhospitals.org.

Stroke Survivors Exercise Program

Tuesdays And Thursdays | 3:00-4:30 pm

Westlake Center for Community Services | 28975 Hilliard Blvd Westlake OH 44145

There are many benefits to continuing regular physical exercise after a stroke. However, stroke survivors often face many challenges when attempting to find a place to exercise.

University Hospitals Outpatient Rehab has created a program at the Westlake Community Center Exercise Room to help guide participants through their exercise program and answer questions. This program is intended for people who had a stroke and have graduated to outpatient rehabilitation and those who are looking for support while creating a regular exercise routine. People must be able to get off and, on the machines, independently or with help from a caregiver.

We are asking each participant to discuss this with their physician and have a medical clearance form filled out.

There is a \$50 initiation fee and then an ongoing \$25 monthly fee to participate.

Please call UH SJMC Outpatient Rehab at **440-414-6050** with questions or to register for the program.

Hearing Testing

Testing and complete evaluations for hearing loss and tinnitus are available at UH St. John Medical Center Speech and Audiology Department.
