2.0 SCOPE AND OVERVIEW OF POLICY

- 2.1 This policy addresses those LIAPs and AHPs who are permitted to practice or provide services in the Hospital, and are credentialed and privileged through Medical Staff mechanisms, but who are not members of the Medical Staff. Only those types of LIAPs and AHPs that have been approved by the Board of Directors shall be permitted to practice at the Hospital. LIAPs and AHPs practice or provide services at the Hospital at the discretion of the Board of Directors or its designee, and, as such, may be denied access and/or terminated at will by the Board of Directors or its designee.
- 2.2 Permission to practice or provide services in the Hospital as a LIAP or AHP is a privilege which shall be extended only to those individuals who have successfully completed the application process, been approved for specific clinical privileges, continually meet the qualifications, standards, requirements, and competencies set forth in this Policy and shall be limited to the needs of the patient population served by the Hospital as determined by the Board of Directors.
- 2.3 LIAPs and AHPs are not eligible for appointment to the Medical Staff of the Hospital, nor are they entitled to the rights, privileges, and/or prerogatives attendant a Medical Staff member.
- 2.4 This Policy may be supplemented by separate Hospital policies and delineations of privileges that address the requirements for specific types of LIAPs and AHPs that are authorized to practice or provide services in the Hospital. These policies and delineations of privileges articulate:
- 2.4.1 Any specific qualifications, training, and/or competencies that a practitioner must possess beyond those set forth in this Policy;
 - 2.4.2 Detailed description of authorized delineation of privileges for a given type of practitioner;
 - 2.4.3 Any specific conditions that apply to the practitioner's functioning within the Hospital; and
 - 2.4.4 Any supervision or collaboration requirements

3.0 ELIGIBILITY AND QUALIFICATIONS

- 3.1 No applicant for LIAP or AHP status shall be entitled to practice or provide services in the Hospital solely by virtue of:
- 3.1.1 being licensed/registered/certified to practice in the State of Ohio or in any other state; or
 - 3.1.2 being a member of any professional organization, or certified by any professional board; or
 - 3.1.3 currently holding or having previously held employment, medical staff membership, affiliation, or clinical privileges with the Hospital or another health care organization; or

**University Hospitals Cleveland Medical Center
Privileging Policy for Licensed Independent Affiliate Health Care
Practitioners (LIAP) and Allied Health Professionals (AHP)

- 3.1.4 having an affiliation with one or more physician or non-physician health care professionals or groups who are affiliated with the Hospital through Medical Staff membership, contract, employment or otherwise.
- 3.2 Permission to practice or provide services within the Hospital will neither be granted nor denied on the basis of race, color, religion, creed, gender, sexual orientation, national origin, marital or family status, presence of any disability, age, ancestry, veteran's status or financial resources.
- 3.3 Minimum requirements for clinical privileges for a LIAP or AHP shall include the following:
 - 3.3.1 Current licensure/certification/registration in the State of Ohio, as required by law, with the same legal name as set forth on the LIAP's or AHP's application for clinical privileges;
 - 3.3.2 Successful completion of an accredited training program, if any, as defined by the delineation of privileges;
 - 3.3.3 Professional certification, if any, as defined by the delineation of privileges;
 - 3.3.4 Current experience and demonstrated competence in area of privileges requested;
 - 3.3.5 Ability to perform all of the physical or mental health functions related to the delineation of privileges requested as an LIAP or AHP, with or without accommodation;
 - 3.3.6 Documented proof (in the form of peer references) of current clinical competence, strict adherence to professional ethics, the ability to work cooperatively with others and of willingness to participate in the discharge of responsibilities of the position;
 - 3.3.7 Maintains proof of legal permanent residency or a proper visa for the clinical privileges requested, if not a United States citizen;
 - 3.3.8 Evidence of current professional liability insurance as defined by Section 2 of the University Hospitals Cleveland Medical Center Medical Staff Rules and Regulations, Section 2;
 - 3.3.9 Compliance with the Hospital Communicable Diseases Policy;
 - 3.3.10 Compliance with University Hospitals Health System Corporate Compliance Program and Guidelines;
 - 3.3.11 Current ability to participate in Medicare, Medicaid and all other applicable federal or state healthcare programs, without any limitations, restrictions, sanctions, or exclusions;

**University Hospitals Cleveland Medical Center

Practitioners (LIAP) and Allied Health Professionals (AHP)
February 20, 2025**

- 3.3.12 Compliance with Hospital policy requiring LIAPs and AHPs to maintain a personal, confidential electronic mail (e-mail) address to monitor critical communications from UH or Administration;
- 3.3.13 In addition, for nurse practitioners and clinical nurse specialists
 - 3.3.13.1 Current, fully-executed standard care arrangement with member of the Hospital's Active Medical Staff, in good standing, privileged in the same specialty.
 - 3.3.13.2 Current certificate of authority from Ohio Board of Nursing;
- 3.3.14 In addition, for certified registered nurse anesthetists
 - 3.3.14.1 Current certificate of authority from Ohio Board of Nursing;
- 3.3.15 In addition, for physician assistants
 - 3.3.15.1 Current supervision agreement approved by the State Medical Board of Ohio with member of the Hospital's Active Medical Staff, in good standing, privileged in the same specialty;
- 3.3.16 For Hospital LIAPs and AHPs: adherence to this Policy, applicable job title-specific sub-policies, the Hospital's employment policies and procedures, and applicable Policies and Procedures.
- 3.3.17 For non-Hospital LIAPs and AHPs: adherence to this Policy, applicable job title-specific sub-policies, and applicable Policies and Procedures.

4.0 RESPONSIBILITIES OF THE LIAP AND AHP

- 4.1 Applicants shall demonstrate, with sufficient adequacy, that they will provide care to patients at least at the generally recognized professional level of quality, in an economically-efficient manner, taking into account patients' needs, the available Hospital facilities and resources, and the utilization standards which may be in effect at the Hospital, from time to time.
- 4.2 Upon approval to practice or provide services as a LIAP or AHP, the practitioner agrees to:
 - 4.2.1 Provide his/her patients with care that is recognized as a professional level of quality, efficiency, and competency;
 - 4.2.2 Embrace the Hospital's Mission, Vision and Values, adopted by the Board of Directors:
 - 4.2.2.1 Our Mission - To heal, to teach, to discover;
 - 4.2.2.2 Our Vision - University Hospitals Cleveland Medical Center will be the regional leader in providing high-quality, compassionate, safe, cost-effective health care, including the full spectrum of prevention, diagnosis and treatment - while enhancing our status as a nationally recognized academic health center;

**University Hospitals Cleveland Medical Center

- 4.2.2.3 Our Values - At University Hospitals Cleveland Medical Center we value patient-centered care, caring, excellence, value, innovation, scholarship, cooperation, and integrity.
- 4.2.3 LIAPs only:
 - 4.2.3.1 Maintain and abide by a standard care arrangement in compliance with Hospital standards.
 - 4.2.3.2 Report any revisions in content of standard care arrangement or assignment of collaborating physician(s) to parties identified on the standard care arrangement.
 - 4.2.3.3 Prior to the Standard Care Arrangement becoming effective, and annually thereafter, the LIAP will verify, or arrange for his/her employer to verify, that each collaborating physician is licensed to practice medicine in the State of Ohio, is a member in good standing on the medical staff of the Hospital, and (if applicable) is board certified.
 - 4.2.3.4 This Arrangement shall not become effective, and neither the LIAP nor the collaborating physician(s) may act under this Arrangement, until it is (a) approved as to form and content by the Chief Nursing Officer of the applicable UH Facility, as witnessed by such officer's signature on the signature page of this Arrangement and (b) acknowledged by the chairperson and division chief (as applicable) of the clinical department in which the collaborating physician(s) practices, as witnessed by such person's signature on the signature page of the Standard Care Arrangement.
- 4.2.4 For Hospital LIAPs and AHPs: adherence to this Policy, applicable job title-specific sub-policies, the Hospital's employment policies and procedures, applicable Policies and Procedures and University Hospitals Health System Organizational Integrity.
For non-Hospital LIAPs and AHPs: adherence to this Policy, applicable job title-specific sub-policies, applicable Policies and Procedures, and University Hospitals Health System Corporate Compliance.
- 4.2.5 Discharge such Department, Division, Committee and Hospital functions for which he/she is responsible;
- 4.2.6 Abide by the ethical principles of his/her profession, including, but not limited to: refraining from fee splitting or other inducements relating to patient referral; providing for continuous care of his/her patients (within his/her area of professional competence); refraining from delegating the responsibility for diagnosis or care of patients to a practitioner who is not qualified to undertake this responsibility, and/or who is not adequately supervised; and seeking consultation whenever necessary. Immediately notify the Chief Medical Officer, or his/her designee, and UHCD of the following:
 - 4.2.6.1 any change in the status of the collaborating physician

- which affects the LIAP's ability to practice or any change in the supervising physician which affects the AHP's ability to provide services, in accordance with the Ohio Revised Code and/or Hospital Policies and Procedures;
- 4.2.6.2 the revocation suspension, or limitation of the LIAP's or AHP's professional license/registration/certification or DEA registration;
 - 4.2.6.3 the imposition of terms of probation or limitation of practice by any State;
 - 4.2.6.4 imposition of any limitations, sanctions, restrictions or exclusion from participation in the Medicare, Medicaid, or other applicable Federal or State healthcare programs;
 - 4.2.6.5 removal from the provider panel of any managed care organization or third party payor;
 - 4.2.6.6 A material change in practice or his/her loss or restriction of medical staff membership, clinical privileges, employment, or scope of practice at any hospital, other health care organization, or physician practice;
 - 4.2.6.7 the commencement of a formal investigation, or the filing of charges, by the Department of Health and Human Services, or any law enforcement agency or health regulatory agency of the United States or by any State or governmental authority;
 - 4.2.6.8 the filing of a claim against the practitioner alleging professional liability;
- 4.2.7 Provide services to all patients regardless of their ability to pay;
 - 4.2.8 Participate in teaching programs conducted by the Hospital, when requested;
 - 4.2.9 Involvement in performance improvement initiatives of the Hospital;
 - 4.2.10 Participate in the Hospital's annual safety programs;
 - 4.2.11 Participate in educational or instructional programs deemed mandatory by the Chief Nursing Officer, Chief Medical Officer and/or the President; and
 - 4.2.12 Refrain from any conduct or acts that are or could reasonably be interpreted as being beyond, or an attempt to exceed, the delineation of privileges or scope of practice authorized within the Hospital or by law.

5.0 CONDITIONS AND DURATION OF CLINICAL PRIVILEGES

- 5.1 All LIAPs or AHPs are assigned to at least one clinical department with corresponding clinical privileges and may be granted privileges in other clinical departments. Approval of clinical privileges as an LIAP or AHP shall be made by the Board of Directors, subject to any Hospital employment Policies for Hospital employees, after recommendation by the Clinical Council, the Chairman, and the Credentialing Committee.

**University Hospitals Cleveland Medical Center
Privileging Policy for Licensed Independent Affiliate Health Care
Practitioners (LIAP) and Allied Health Professionals (AHP)
February 20, 2025**

Approval of clinical privileges shall be for a period of no longer than two (2) years. LIAPs and AHPs are required to reapply for privileges at least every two (2) years.

- 5.2 After recommendation by the Chairman and the Credentialing Committee, providers may be granted interim clinical privileges to those meeting approved criteria for a period not to exceed 120 days in order to complete the approval process.
- 5.3 Each initial privileging or renewal of privileges shall be valid only for the period stated on the appointment or reappointment document, unless otherwise curtailed or restricted as provided herein. Any change in status or clinical privileges shall apply only to the remainder of the current privileging period.
- 5.4 All LIAPs or AHPs shall be placed in a Focused Professional Practice Evaluation (FPPE) process pursuant to the facility's FPPE policy.
- 5.5 In the event of termination, LIAPs or AHPs not considered UHCMC employees as defined in this Policy are granted only those fair hearing rights outlined in Section 12. Only Hospital employees are subject to Hospital Policies governing termination.
- 5.6 Contractual Relationships.
 - 5.6.1 The clinical privileges of any LIAP or AHP who has a contractual relationship with the Hospital, or is either an employee, partner, or principal of, or in, an entity which has a contractual relationship with the Hospital relating to providing services to patients at the Hospital are defined through Medical Staff mechanisms. These privileges shall terminate automatically and immediately, unless the contract specifies otherwise, upon:
 - 5.6.1.1 the expiration or other termination of the contractual relationship with the Hospital; or
 - 5.6.1.2 the expiration or other termination of the relationship of the LIAP or AHP with the entity that has a contractual relationship with the Hospital.
 - 5.6.2 For LIAPs and AHPs, such termination shall be considered a voluntary resignation.
 - 5.6.3 In the event of such termination of clinical privileges or other contractual relationship with the Hospital, there shall be no fair hearing rights as outlined in Section 12 for LIAPs or AHPs not considered UHCMC employees as defined in this Policy. Only Hospital employees are subject to Hospital Policies governing termination.

6.0 PROCEDURES FOR APPLICATION FOR INITIAL CLINICAL PRIVILEGES BY THE LIAP OR AHP

- 6.1 By applying for clinical privileges as an LIAP or AHP, the applicant:

**University Hospitals Cleveland Medical Center
Privileging Policy for Licensed Independent Affiliate Health Care
Practitioners (LIAP) and Allied Health Professionals (AHP)
February 20, 2025**

- 6.1.1 Agrees to appear for interviews in regard to his/her application, as requested;
 - 6.1.2 Agrees to produce sufficient information and/or appear for verification of personal identity;
 - 6.1.3 Authorizes UH representatives to consult with others who have been associated with him/her, and who may have information bearing on his/her competence and qualifications;
 - 6.1.4 Consents to the inspection by UH representatives of all records and documents pertinent to his/her licensure/certification/registration, specific training, experience, current competence and ability to carry out the clinical privileges he/she requests, and relationships with peers and patients, as well as of his/her ethical qualifications.
 - 6.1.5 Releases from liability the Hospital, its agents, employees and representatives for their acts performed in good faith in connection with evaluating the applicant and his/her credentials;
 - 6.1.6 Releases from all liability all individuals and organizations who provide information, including otherwise privileged or confidential information, to Hospital representatives in good faith concerning the applicant's ability, professional ethics, character, ability to perform any of the physical or mental health functions related to the specific clinical privileges requested as a LIAP or AHP, with or without accommodation and other qualifications for practice and clinical privileges;
 - 6.1.7 Agrees that any lawsuit brought by the applicant against an individual or organization providing information to a Hospital representative, or against a Hospital representative, shall be brought in a court, Federal or State, in the State of Ohio;
 - 6.1.8 Agrees to limit his/her activities to those described in his/her license, certificate, or registration by the State of Ohio;
 - 6.1.9 Agrees that completion of the credentialing and privileging process is a prerequisite to practice or provide services as a LIAP or AHP in the Hospital, regardless of employment status; and
 - 6.1.10 Pledges to provide for continuous quality care for his or her patients.
- 6.2 All LIAP or AHP applicants shall initiate a request for clinical privileges to the Chairman of that department to which he/she wishes to apply for clinical privileges. The Chairman shall then notify UHCD to begin the application process.

The LIAP or AHP application for clinical privileges is a separate process and is in addition to any employment requirements of the Hospital, physician, or practice group.

- 6.2.15 information regarding previously filed or currently pending disciplinary actions or challenges to any licensure, certification, or registration (state or district, Drug Enforcement Administration if applicable) or the voluntary or involuntary limitation or relinquishment of such licensure, certification, or registration;
 - 6.2.16 any voluntary or involuntary termination of any health care organization, physician, or physician practice affiliation or employment, or voluntary or involuntary limitation, reduction, or loss of practice privileges at another health care organization;
 - 6.2.17 any conviction of a violation of law other than a minor traffic violation, regardless of date of occurrence or severity;
 - 6.2.18 proof of compliance with the Communicable Diseases Policy;
 - 6.2.19 signed University Hospitals Corporate Compliance Certification;
 - 6.2.20 payment of any applicable application fees, as determined by hospital administration;
 - 6.2.21 In addition for nurse practitioners and clinical nurse specialists:
 - 6.2.21.1 current, fully executed standard care arrangement with member of the Hospital's Active Medical Staff, in good standing, privileged in the same specialty;
 - 6.2.21.2 current certificate of authority from Ohio Board of Nursing;
 - 6.2.21.3 current Ohio Board of Nursing prescriptive authority certification if requesting prescriptive privileges;
 - 6.2.22 In addition for certified registered nurse anesthetists:
 - 6.2.22.1 current certificate of authority from Ohio Board of Nursing;
 - 6.2.23 In addition for physician assistants:
 - 6.2.23.1 current supervision agreement approved by the State Medical Board of Ohio with member of Hospital's Active Medical Staff, in good standing, privileged in the same specialty;
 - 6.2.23.2 meet all requirements stated on the privilege delineation form, the ORC 4730.39 and current State Medical Board of Ohio requirements if requesting physician-delegated prescriptive authority privileges;
 - 6.2.24 any other necessary documentation requested by UHCD or the Credentialing Committee to adequately evaluate the applicant.
- 6.3 Processing Application.
- 6.3.1 Following submission of a completed application, UHCD shall review the file for thoroughness and receipt of all required documentation. UHCD has the right to request additional information or clarification of information presented by the

applicant. The applicant is advised of the status of his/her application within 21 days of receipt of the credentialing application form prescribed by the Ohio Department of Insurance.

- 6.3.2 An application is considered incomplete until all required documentation and information have been submitted. The applicant has the following responsibilities:
 - 6.3.2.1 to produce sufficient information and/or appear for verification of personal identity;
 - 6.3.2.2 to produce sufficient information for a proper evaluation of his/her training, experience, current competence, prior health care organization affiliations or employment, liability history, and health status;
 - 6.3.2.3 to resolve any questions about these or any of the qualifications for authorization to practice or provide services as a LIAP or AHP;
 - 6.3.2.4 to satisfy any requests by the Hospital for additional information or clarification of information presented; and
 - 6.3.2.5 submit to any reasonable evidence of current health status that may be requested by the Hospital.

- 6.3.3 Prior to routing to the Credentialing Committee, UHCD verifies the following from the primary source, according to listing of approved sources for primary source verification, when feasible:
 - 6.3.3.1 professional education and relevant training;
 - 6.3.3.2 current and former licensure, certification, or registration, including certificate(s) of authority and prescriptive authority or utilization plan (as applicable);
 - 6.3.3.3 professional certification(s);
 - 6.3.3.4 previous professional experience and work history;
 - 6.3.3.5 settlements or judgments paid by or on behalf of practitioner;
 - 6.3.3.6 National Provider Identifier (NPI)
 - 6.3.3.7 UHCD verifies the current clinical competence of an applicant by obtaining evaluations from hospitals or other health care entities where he/she has trained, held clinical assignments within the past five years, and from collaborating, supervising and/or employing physicians, as appropriate and within confines of applicable law. If the applicant's experience is limited, personal peer references will be obtained to meet a minimum of three (3) current clinical competence evaluations. Peer is defined as appropriate practitioner in the same professional discipline as the applicant who has firsthand knowledge of the applicant;
 - 6.3.3.8 if attempts to contact primary sources are not successful, approved equivalent sources or other reliable secondary sources may be used to verify licensure, training, experience, and current competence;
 - 6.3.3.9 unsuccessful attempts to reach primary sources are documented in the credentials file and reported to the Credentialing Committee.

- 6.3.4 At a minimum, UHCD queries the following entities:
 - 6.3.4.1 Federation of State Medical Boards for physician assistants, if applicable;
 - 6.3.4.2 National Practitioner Data Bank;
 - 6.3.4.3 The applicable State of Ohio licensure board(s) and other state licensure boards, if applicable;
 - 6.3.4.4 Source for professional background check.
 - 6.3.5 UHCD promptly informs the applicant of any missing information or problems in obtaining verification of information. The applicant is ultimately responsible for ensuring the receipt of this information. Action on an individual's application shall be withheld until the above information is available and verified.
 - 6.3.6 Each applicant, and the clinical department to which the clinical privileges are being processed, may be informed of the status of his/her application, upon request.
 - 6.3.7 All individuals and groups required to act on a complete application for a LIAP or AHP must do so in a timely and good faith manner. Except for obtaining required information, or for other good cause, each application should be processed within 180 days of receipt of a complete application including all applicable components noted in 6.2.1 through 6.2.24 above, submission to the Credentialing Committee of the Medical Staff within 90 days, and ending with Clinical Council and Board of Directors for approval.
- 6.4 Credentialing Committee and Chairman Review
- 6.4.1 UHCD screens all completed applications to determine whether any applications are deemed to be with issue. UHCD submits all applications, except those with issue, to the Credentialing Committee for review.
 - 6.4.1.1 Any application determined to be with issue shall be submitted directly to the Chairman, who, after reviewing the application, shall forward it to the Credentialing Committee with a preliminary recommendation. For purposes of this section, an application is determined to be with issue if it deviates from one or more baseline criteria pre-established by UHCD.
 - 6.4.2 Upon receipt, the Credentialing Committee shall review the application and evaluate the clinical privileges requested based on the available documentation, including any preliminary recommendation from the Chairman.
 - 6.4.2.1 The Credentialing Committee shall make a recommendation for clinical privileges to the Chairman.
 - 6.4.2.2 If the Credentialing Committee is unable to make a recommendation for granting clinical privileges without further evidence of training and/or experience, it may recommend that additional information be obtained from the applicant.

- 6.4.2.3 The Credentialing Committee may use the expertise of any individual on the Medical Staff or Hospital employee, or an outside consultant, if additional information is required regarding the applicant's qualifications.
- 6.4.3 Recommendations to Clinical Council for clinical privileges rest solely with the Chairman. Following review of the Credentialing Committee recommendations, the Chairman recommends approval or denial of the application for clinical privileges to Clinical Council.
 - 6.4.3.1 If the recommendations of the Credentialing Committee and Chairman differ, the recommendations shall be reviewed by a Review Committee formed of the pertinent Chairman, Chairman of the Credentialing Committee, and chaired by the Chief Medical Officer (or his/her designee) to discuss the recommendations. The Chief Medical Officer may appoint additional members to this Review Committee at his/her discretion.
 - 6.4.3.2 The Chief Medical Officer shall submit the Review Committee's recommendation to the next scheduled Clinical Council and Board of Directors.
- 6.4.4 Recommendations adverse to the applicant shall be processed according to Section 12.
- 6.5 Interim Clinical Privileges
 - 6.5.1 After review and favorable recommendation by the Credentialing Committee and upon recommendation of the Chairman and Chief Medical Officer, the President (or, in the absence of the President, when necessary, his/her designee) may grant interim clinical privileges to an applicant meeting the following criteria for a period not to exceed 120 days in order to complete the approval process.
 - 6.5.1.1 Eligibility Criteria for Interim Clinical Privileges. The following criteria shall be met prior to granting of interim clinical privileges.
 - 6.5.1.1.1 Verification of:
 - 6.5.1.1.1.1 current licensure, certification, or registration
 - 6.5.1.1.1.2 current DEA registration, if held
 - 6.5.1.1.1.3 relevant training or experience
 - 6.5.1.1.1.4 current competence
 - 6.5.1.1.1.5 ability to perform the privileges requested
 - 6.5.1.1.1.6 other criteria required by Policy and Procedure
 - 6.5.1.1.2 If applicable, results of National Practitioner Data Bank query have been obtained and evaluated.
 - 6.5.1.1.3 Applicant has:
 - 6.5.1.1.3.1 a complete application

- 6.5.1.1.3.2 no current or previously successful challenge to licensure, certification, or registration
 - 6.5.1.1.3.3 not been subject to involuntary termination of medical staff membership or employment by another organization or employer
 - 6.5.1.1.3.4 not been subject to involuntary limitation, reduction, denial, or loss of clinical privileges
 - 6.5.1.1.4 If any interim clinical privileges eligibility criterion is not met by the applicant, the applicant shall not be granted interim clinical privileges and clinical privileges shall be granted only after approval by the full Board of Directors.
- 6.5.2 If any adverse information regarding the applicant's credentials, training, experience, clinical competence, ethics, or other pertinent facts become known to the Hospital during this time period, such information shall be reported simultaneously to the Chairman and the Chief Medical Officer. The Chairman and Chief Medical Officer shall make a recommendation regarding the LIAP's or AHP's continued interim clinical privileges to the Clinical Council and the Board of Directors. If necessary, the LIAP's privileges may be subject to corrective action in the manner outlined in Section 11.0.
- 6.5.3 If there is a recommendation from Clinical Council to terminate the LIAP's or AHP's interim clinical privileges, the LIAP or AHP shall have fair hearing rights as outlined in Section 12 of this Policy.
- 6.6 Clinical Council (or its Executive Committee) shall review all recommendations from the Chairman and transmit the recommendations to the next meeting of the Board of Directors or to the Board of Directors' authorized committee. If the Clinical Council's recommendation is to deny clinical privileges, the Chief Medical Officer shall send notice to the LIAP or AHP of his/her fair hearing rights outlined in Section 12 of this Policy.
 - 6.6.1 Favorable Recommendation: When the recommendation of Clinical Council is favorable to the applicant, it shall be promptly forwarded, together with supporting documentation, to the Board of Directors.
 - 6.6.2 Adverse Recommendation: When the recommendation of Clinical Council is adverse to the applicant, the applicant shall be informed by written notice which notice shall include the basis for the adverse recommendation. Upon receipt of this notice

the applicant shall be entitled to exercise his or her rights made by the hearing and appellate review procedures set forth in Section 12. The applicant's rights under Section 12 must either be waived or exhausted before the Board of Directors may take action.

- 6.7 The Board of Directors shall review all recommendations transmitted to it from Clinical Council; the Board of Directors has the final decision on all applications for clinical privileges. The Board of Directors may elect to delegate the authority to render initial clinical privileges or modification of clinical privileges for those practitioners meeting the eligibility criteria to a committee of the Board of Directors, containing three or more members of the Board of Directors.

If the Board of Directors denies a favorable recommendation of Clinical Council, the Chief Medical Officer shall send notice to the LIAP or AHP of his/her fair hearing rights outlined in Section 12 of this Policy.

- 6.8 UHCD shall notify the LIAP or AHP of the Board of Directors' approval of the request for clinical privileges.

7.0 PROCEDURES FOR RENEWAL OF CLINICAL PRIVILEGES BY THE LIAP OR AHP

- 7.1 Renewal of clinical privileges is based on a reappraisal of the LIAP or AHP at the time of renewal of clinical privileges at least every two (2) years.
- 7.2 By applying for renewal of clinical privileges as a LIAP or AHP, the applicant:
- 7.2.1 Agrees to appear for interviews in regard to his/her application, as requested;
 - 7.2.2 Authorizes Hospital representatives to consult with others who have been associated with him/her, and who may have information bearing on his/her competence and qualifications;
 - 7.2.3 Consents to the inspection by Hospital representatives of all records and documents pertinent to his/her licensure/certification/registration, specific training, experience, current competence and ability to carry out the clinical privileges he/she requests, and relationships with peers and patients, as well as of his/her ethical qualifications;
 - 7.2.4 Releases from liability the Hospital, its agents, employees and representatives for their acts performed in good faith in connection with evaluating the applicant and his/her credentials;
 - 7.2.5 Releases from all liability all individuals and organizations who provide information, including otherwise privileged or confidential information, to Hospital representatives in good faith concerning

the applicant's ability, professional ethics, character, ability to perform any of the physical or mental health functions related to the specific clinical privileges requested as a LIAP or AHP, with or without accommodation and other qualifications for practice and clinical privileges;

7.2.6 For nurse practitioners and clinical nurse specialists:

7.2.6.1 Report any change in the standard care arrangement or identification of the collaborating physician(s);

7.2.7 For physician assistants:

7.2.7.1 Report any change in the supervision agreement approved by the State Medical Board of Ohio or identification of supervising physician(s);

7.2.8 Agrees that any lawsuit brought by the applicant against an individual or organization providing information to a Hospital representative, or against a Hospital representative, shall be brought in a court, Federal or State, in the State of Ohio;

7.2.9 Agrees to limit his/her activities to those described in his/her license, certificate, or registration by the State of Ohio; and

7.2.10 Pledges to provide for continuous quality care for his or her patients.

7.3 UHCD will initiate the renewal of clinical privileges process with all current LIAPs and AHPs in the clinical departments in accordance with the staggered reappointment schedule. Application for renewal of clinical privileges is a separate process and in addition to any employment requirements for annual evaluation by the Hospital, physician, or practice group.

7.4 A complete renewal of clinical privileges application shall be submitted to UHCD and shall contain the following:

7.4.1 completed application form consisting of the credentialing application form prescribed by the Ohio Department of Insurance and the University Hospitals Health System Application for Renewal of Clinical Privileges;

7.4.2 a signed UH Condition of Application/Release and Immunity Statement;

7.4.3 current demographic information, including a personal, confidential electronic mail (e-mail) address to monitor critical communications from UH or Administration;

7.4.4 If held, copy of a current, unrestricted DEA registration, valid in the State of Ohio. If no DEA registration is held, an explanation of why no DEA registration is held is required;

- 7.4.5 proof of legal permanent residency or proper visa for the clinical privileges requested, if not a United States citizen;
- 7.4.6 description of education, training, professional experience, current and all former licensure, and other qualifications;
- 7.4.7 written explanation of gaps in work history of more than six (6) months;
- 7.4.8 information regarding any former or current malpractice actions, including but not limited to litigation, arbitration or mediation, regardless of status, method, or outcome;
- 7.4.9 copy of current curriculum vitae (CV);
- 7.4.10 evidence of professional continuing education;
- 7.4.11 professional certification (if applicable);
- 7.4.12 completed privilege delineation form;
- 7.4.13 any documentation needed to support the request for clinical privileges that require special training or experience (as indicated on the privilege delineation form);
- 7.4.14 professional liability history and current certificate of insurance coverage per University Hospitals Cleveland Medical Center Medical Staff Rules and Regulations showing effective and expiration dates, individual coverage limits and named insured;
- 7.4.15 information regarding ability to perform any of the physical or mental health functions related to the delineation of privileges requested as a LIAP or AHP, with or without accommodation;
- 7.4.16 information regarding previously successful or currently pending challenges to any licensure, certification, or registration (state or district, Drug Enforcement Administration if applicable) or the voluntary or involuntary relinquishment of such licensure, certification, or registration;
- 7.4.17 any voluntary or involuntary termination of any health care organization, physician, or physician practice affiliation or employment, or voluntary or involuntary limitation, reduction, or loss of practice privileges at another health care organization;
- 7.4.18 any conviction of a violation of law other than a minor traffic violation, regardless of date of occurrence or severity;
- 7.4.19 proof of compliance with the Communicable Diseases Policy;
- 7.4.20 signed University Hospitals Corporate Compliance Certification;
- 7.4.21 In addition for nurse practitioners and clinical nurse specialists:

- 7.4.21.1 current, fully executed standard care arrangement with member of the Hospital's Active Medical Staff, in good standing, privileged in the same specialty;
- 7.4.21.2 current certificate of authority from Ohio Board of Nursing;
- 7.4.21.3 current Ohio Board of Nursing prescriptive authority certification if requesting prescriptive privileges;
- 7.4.22 In addition for certified registered nurse anesthetists:
 - 7.4.22.1 current certificate of authority from Ohio Board of Nursing;
- 7.4.23 In addition for physician assistants:
 - 7.4.23.1 current supervision agreement approved by the State Medical Board of Ohio with a member of the Hospital's Active Medical Staff, in good standing, privileged in the same specialty;
 - 7.4.23.2 meet all requirements stated on the privilege delineation form, the ORC 4730.39 and current State Medical Board of Ohio requirements if requesting physician-delegated prescriptive authority privileges; and
- 7.4.24 any other necessary documentation requested by UHCD or the Credentialing Committee to adequately evaluate the applicant.
- 7.5 Processing Application.
 - 7.5.1 An application is considered incomplete until all required documentation and information have been submitted. The applicant has the following responsibilities:
 - 7.5.1.1 to produce sufficient information for a proper evaluation of his/her training, experience, current competence, prior health care organization affiliations or employment, liability history, and health status;
 - 7.5.1.2 to resolve any questions about these or any of the qualifications for authorization to practice or provide services as an LIAP or AHP;
 - 7.5.1.3 to satisfy any requests by the Hospital for additional information or clarification of information presented; and
 - 7.5.1.4 submit to any reasonable evidence of current health status that may be requested by the Hospital.
 - 7.5.2 Prior to routing to the Credentialing Committee, UHCD verifies the following from the primary source, according to listing of approved sources for primary source verification ,when feasible:
 - 7.5.2.1 any new training during the previous two(2) years;
 - 7.5.2.2 current licensure, certification, or registration including certificate(s) of authority or supervision agreement;
 - 7.5.2.3 professional certification;
 - 7.5.2.4 current clinical competence of applicant by obtaining a peer evaluation from primary facility where he/she is affiliated; peer is defined as appropriate practitioner in

- the same professional discipline as the applicant who has firsthand knowledge of the applicant;
- 7.5.2.5 settlements or judgments paid by or on behalf of practitioner;
 - 7.5.2.6 if attempts to contact primary sources are not successful, approved equivalent sources or other reliable secondary sources may be used to verify licensure, training, experience, and current competence;
 - 7.5.2.7 unsuccessful attempts to reach primary sources are documented in the credentials file.
- 7.5.3 At a minimum, UHCD queries the following entities:
- 7.5.3.1 National Practitioner Data Bank;
 - 7.5.3.2 the applicable State of Ohio licensure board(s) and other state licensure boards, if applicable;
 - 7.5.3.3 source for professional background check, if not previously documented.
- 7.5.4 Each applicant, and the clinical department to which renewal of clinical privileges is being processed, may be informed of the status of his/her application, upon request.
- 7.5.5 UHCD promptly informs the applicant of any missing information or problems in obtaining verification of information. The applicant is ultimately responsible for ensuring the receipt of this information. An incomplete renewal of clinical privileges application will result in the automatic termination of the LIAPs or AHPs clinical privileges at the end of the applicant's current approval period.
- 7.5.6 All individuals and groups required to act on a complete application for a LIAP or AHP must do so in a timely and good faith manner. Except for good cause, each application should be submitted to the Credentialing Committee for review and recommendation within 90 days of receipt of the credentialing application form prescribed by the Ohio Department of Insurance. Processing begins with receipt of a complete application, including all applicable components noted in 7.4.1 through 7.4.24 above and ending with submission to the Clinical Council and Board of Directors for approval.
- 7.5.7 Deadline for return of the completed application, privilege delineation form and all related documentation is no less than sixty (60) days prior to the date when clinical privileges expire. Failure of the applicant to submit a complete renewal of clinical privileges application by the deadline will result in the automatic termination of the LIAP's or AHP's clinical privileges at the end of the applicant's current approval period. This will be considered a voluntary resignation of clinical privileges.
- 7.6 Credentialing Committee and Chairman Review.

**University Hospitals Cleveland Medical Center
Privileging Policy for Licensed Independent Affiliate Health Care
Practitioners (LIAP) and Allied Health Professionals (AHP)
February 20, 2025**

- 7.6.1 UHCD screens all completed applications to determine whether any applications are deemed to be with issue. UHCD submits all applications, except those with issue, to the Credentialing Committee for review.
- 7.6.2 Any application determined to be with issue shall be submitted directly to the Chairman, who, after reviewing the application, shall forward it to the Credentialing Committee with a preliminary recommendation. For purposes of this section, an application is determined to be with issue if it deviates from one or more baseline criteria pre-established by UHCD.
- 7.6.3 Upon receipt, the Credentialing Committee shall review the application and evaluate the clinical privileges requested based on the available documentation, including any preliminary recommendation from the Chairman.
 - 7.6.3.1 The Credentialing Committee shall make a recommendation for clinical privileges to the Chairman.
 - 7.6.3.2 If the Credentialing Committee is unable to make a recommendation for granting clinical privileges without further evidence of training and/or experience, it may recommend that additional information be obtained from the applicant.
 - 7.6.3.3 Recommendations to Clinical Council for clinical privileges rest solely with the Chairman. Following review of the Credentialing Committee recommendations, the Chairman recommends approval or denial of the application for clinical privileges to Clinical Council.
 - 7.6.3.4 If the recommendations of the Credentialing Committee and Chairman differ, the recommendations shall be reviewed by a Review Committee formed of the pertinent Chairman, Chairman of the Credentialing Committee, and chaired by the Chief Medical Officer (or his/her designee) to discuss the recommendations. The Chief Medical Officer may appoint additional members to this Review Committee at his/her discretion.
 - 7.6.3.5 The Chief Medical Officer shall submit the Review Committee's recommendation to the next scheduled Clinical Council and Board of Directors.
- 7.6.4 Recommendations adverse to the applicant shall be processed according to Section 12.
- 7.7 Clinical Council (or its Executive Committee) shall review all recommendations from the Chairman and transmit the recommendations to the next meeting of the Board of Directors or to the Board of Directors' authorized committee. If the Clinical Council's recommendation is to deny clinical privileges, the Chief Medical Officer shall send notice to the LIAP or AHP of his/her fair hearing rights outlined in Section 12 of this Policy.

7.8 The Board of Directors shall review all recommendations transmitted to it from Clinical Council; the Board of Directors has the final decision on all applications for clinical privileges. The Board of Directors may elect to delegate the authority to render initial clinical privileges or modification of clinical privileges for practitioners meeting eligibility criteria to a committee of the Board of Directors, containing three or more members of the Board of Directors. In the event a practitioner at UH Cleveland Medical Center receives an interim appointment or interim privileges within 90 days of the reappointment/renewal of privileges date for his/her clinical department, the Board of Directors shall take action on his/her initial application at the same time it takes action on the entire clinical department's applications for reappointment/renewal of privileges.

If the Board of Directors denies a favorable recommendation of Clinical Council, the Chief Medical Officer shall send notice to the LIAP or AHP of his/her fair hearing rights outlined in Section 12 of this Policy.

7.9 UHCD shall notify the LIAP or AHP of the Board of Directors' approval of the request for clinical privileges no later than sixty (60) days following approval.

7.10 Reinstatement of clinical privileges due to submission of a Request for Application and/or an application for renewal of clinical privileges after the final deadline requires approval by the Clinical Department Chairman and each will be subject to a reinstatement fee.

8.0 OTHER LIAP AND AHP ACTIONS

8.1 Change in Status Between Approval Periods.

8.1.1 A LIAP or AHP may request a change in status between clinical privileges renewal periods, including but not limited to change in: clinical department assignment or clinical privileges requested.

8.1.2 A LIAP or AHP requesting to make a change in status between renewal periods must make application in writing, including the reason for the request, to the Chairman. The request shall be referred to UHCD for processing and referred for action to the Credentialing Committee and Chairman, who recommends to Clinical Council and the Board of Directors for final approval. The LIAP or AHP must provide evidence of training or experience in accordance with the applicable policies of the clinical department for those changes in status being requested. If clinical privileges are being voluntarily relinquished, no additional documentation is required.

8.2 In order to obtain clinical privileges in a second department, the applicant must make application to the appropriate Chairman. Such application shall be processed in a similar manner as an initial application as outlined under Section 6.

8.3 Leave of Absence.

**University Hospitals Cleveland Medical Center
Privileging Policy for Licensed Independent Affiliate Health Care
Practitioners (LIAP) and Allied Health Professionals (AHP)
February 20, 2025**

- 8.3.1 For Hospital LIAPs and AHPs: Subject to the Hospital's employment policies and Section 8.3.2 of this Policy. If a conflict is found between the policies, the Hospital's employment policies shall supersede this Section 8.3.2 for Hospital employees.
- 8.3.2 For non-Hospital LIAPs and AHPs:
 - 8.3.2.1 Request for voluntary leave of absence from the LIAP or AHP shall be submitted in writing to the Chairman for a minimum of three (3) months, but not to exceed a one (1) year period. A leave of absence (LOA) may be granted to LIAP or AHP for any reason deemed appropriate by the Chairman, such as illness, personal reasons, further clinical or academic training or military duty.
 - 8.3.2.2 A LIAP or AHP on LOA status shall not have authorization to practice in the Hospital during the LOA period. He/she shall be excused from liability insurance requirements of the Hospital and departmental responsibilities and all other duties.
 - 8.3.2.3 In order to resume his/her previous authorization to practice or provide services, the LIAP or AHP must provide to UHCD:
 - 8.3.2.3.1 documentation verifying liability insurance coverage per University Hospitals Cleveland Medical Center Medical Staff Rules and Regulations;
 - 8.3.2.3.2 if held, copy of current, unrestricted DEA registration valid in the State of Ohio. If no DEA registration is held, an explanation of why no DEA registration is held is required;
 - 8.3.2.3.3 information regarding his/her activities and whereabouts during the LOA for verification;
 - 8.3.2.3.4 In addition for nurse practitioners and clinical nurse specialists;
 - 8.3.2.3.4.1 current, fully-executed standard care arrangement with member of the Hospital's Active Medical Staff, in good standing, privileged in the same specialty.
 - 8.3.2.3.4.2 current certificate of authority from Ohio Board of Nursing;
 - 8.3.2.3.4.3 current Ohio Board of Nursing prescriptive authority certification if requesting prescriptive privileges;
 - 8.3.2.3.5 In addition for certified registered nurse anesthetists:
 - 8.3.2.3.5.1 current certificate of authority from Ohio Board of Nursing.
 - 8.3.2.3.6 In addition for physician assistants:
 - 8.3.2.3.6.1 current supervision agreement approved by the State Medical

- Board of Ohio with a member of the Hospital's Active Medical Staff in good standing, privileged in the same specialty;
- 8.3.2.3.6.2 meet all requirements stated on the privilege delineation form, the ORC 4730.39 and current State Medical Board of Ohio requirements if requesting physician-delegated prescriptive authority privileges.
- 8.3.2.4 UHCD queries the following entities:
- 8.3.2.4.1 National Practitioner Data Bank;
- 8.3.2.4.2 the applicable State of Ohio licensure board(s) and other state licensure boards, if applicable;
- 8.3.2.4.3 source for professional background check, if not previously documented.
- 8.3.2.5 A requested return from LOA must be recommended by the Chairman, and reviewed by the Credentialing Committee before an interim return from LOA becomes effective, subject to the criteria for interim clinical privileges, Section 6.4.1.1.
- 8.3.2.6 The Chairman shall make a preliminary recommendation for return from LOA and clinical privileges subject to further review by the Credentialing Committee. After review and favorable recommendation by the Credentialing Committee and upon recommendation of the Chairman and Chief Medical Officer, the President (or, in the absence of the President, when necessary, his/her designee) may grant an interim return from LOA and clinical privileges for a period not to exceed 120 days in order to complete the approval process. UHCD will notify applicant of the approval of his/her interim return from LOA and clinical privileges no later than sixty (60) days after Credentialing Committee approval.
- 8.3.2.7 Recommendations for return from LOA are submitted to the Clinical Council and the Board of Directors for final approval.
- 8.3.2.8 UHCD shall notify applicant of the Board of Directors' approval of the request for return from LOA and clinical privileges.
- 8.3.2.9 It is the responsibility of the LIAP or AHP to submit a request to return from LOA prior to the LOA's expiration. If the LIAP or AHP does not submit a request to return from LOA or a letter of resignation prior to LOA expiration, the clinical department and/or UHCD has no responsibility and shall not be required to make any effort to locate the practitioner. If the practitioner is unable to be located prior to the LOA expiration, his/her clinical privileges shall be terminated upon recommendation from the Chairman. Such terminations shall be effective on the date of notification to UHCD by

the Chairman, and shall be reported to the Clinical Council and Board of Directors. Termination of clinical privileges resulting from this Section 8.3.2.9 shall be considered a voluntary resignation.

- 8.4 Resignations and Terminations. (For additional information, refer to applicable policy in the HR Policy and Procedure Manual)
- 8.4.1 For Hospital LIAPs and AHPs: Subject to the Hospital's employment policies and Section 8.4.2 of this Policy.
- 8.4.2 For non-Hospital LIAPs and AHPs:
- 8.4.2.1 Resignation of clinical privileges as a LIAP or AHP and the reason therefore shall be submitted in writing to the Chairman, who shall notify UHCD. Such resignations shall be effective on the date indicated by the Chairman.
- 8.4.3 Terminations.
- 8.4.3.1 When a LIAP or AHP has left the geographic area without submitting a resignation letter and/or a forwarding address, his/her clinical privileges as a LIAP or AHP shall be terminated after approval of the Chairman. Such terminations are effective on the date of notification to UHCD by the Chairman and shall be reported to the Clinical Council and Board of Directors.
- 8.4.3.2 If a LIAP or AHP fails to apply for renewal of privileges within the required time and renewal of privileges therefore does not occur, the clinical privileges of the individual shall automatically be terminated. The individual shall be notified of the termination and of the need to submit an initial application, if clinical privileges are sought.
- 8.4.3.3 If the LIAP or AHP should die, he/she shall be terminated as a LIAP or AHP effective with verification of the death by UHCD. Such terminations will be reported to the Clinical Council and Board of Directors.
- 8.5 Reinstatement of Clinical Privileges.
- 8.5.1 Reinstatement of clinical privileges can occur up to ninety (90) days after resignation or termination provided, however, that in the event that such resignation or termination is the result of a suspension of three (3) months under Section 11.2.9, the LIAP or AHP shall be subject to the application process as provided under Section 6. Applicants shall initiate a request for reinstatement of clinical privileges to the Clinical Department to which he/she wishes to be reinstated. The Chairman shall then notify UHCD to begin the reinstatement process.
- 8.5.2 The applicant for reinstatement shall be required to submit updated information to supplement the original application and supply letters of reference for the period of time that the applicant

for reinstatement was not granted clinical privileges, and submit information as requested by UHCD.

- 8.5.3 Reinstatement of clinical privileges shall be subject to a reinstatement fee.
- 8.6 The LIAP or AHP shall be responsible for contacting his/her clinical department and UHCD with any changes in his/her office or home address or telephone number.
- 8.7 The LIAP or AHP is responsible for contacting UHCD and his/her clinical department with any changes in his/her personal, confidential electronic mail (e-mail) address.
- 8.8 The LIAP or AHP shall be responsible for contacting UHCD with any changes in his/her professional liability insurance coverage, including but not limited to name of carrier, limits of coverage, effective and expiration dates, and date of early termination, if any. The LIAP or AHP shall be responsible for obtaining appropriate tail or nose coverage with appropriate retroactive date when changing carriers, according to the University Hospitals Cleveland Medical Center Medical Staff Rules and Regulations.

9.0 ADMITTING PRIVILEGES

- 9.1 Upon recommendation of the Chairman with concurrence of Clinical Council, the Board of Directors may grant admitting privileges in accordance with state law. Refer to the Board of Directors-approved delineation of clinical privileges for the specific type of practitioner.

10.0 CLINICAL PRIVILEGES

- 10.1 Every LIAP or AHP providing direct clinical services at the Hospital, shall, in connection with such practice, be entitled to exercise only those setting-specific clinical privileges that are specifically granted to him/her by the Board of Directors.
 - 10.1.1 Every application for initial or renewal of clinical privileges by a LIAP or AHP must contain a request for the particular clinical privileges desired by the applicant. The clinical privilege request shall be specific, accurate, precise, and describe in detail the scope of practice permitted at the Hospital. Clinical privileges are organization- and setting-specific and the evaluation of such requests shall be based upon the applicant's education, training, experience, demonstrated current competence, ability, peer references, and other relevant information, as appraised by the Credentialing Committee and Chairman. Each applicant must meet the appropriate training/experience requirements as outlined in the privilege delineation form and any specific subpolicies approved by the Board of Directors. However, special exceptions to these requirements may be requested at the discretion of the Chairman. Exceptions shall be submitted in writing for approval to the Chief Medical Officer and the

President (or, in the absence of the President, his/her designee), who will forward approved requests to UHCD for processing; this documentation shall become part of the credentialing file. The applicant shall have the responsibility of establishing his/her qualifications and competency in the area of clinical privileges requested.

- 10.2 If the Hospital lacks adequate facilities, equipment, number and types of qualified support personnel, or other resources for a specific service or procedure, clinical privileges are not granted in those areas.
- 10.3 There are mechanisms to ensure that LIAPs and AHPs provide services within the scope of privileges delineated.
- 10.4 Temporary privileges are those that are granted on a case by case basis when an important patient care need mandates an immediate authorization to practice or provide service. Temporary privileges may be granted to LIAPs or AHPs who are not privileged by the Medical Staff for the purpose of teaching, research, providing replacement services for full time practitioners on leave (*locum tenens*), or under special circumstances approved by the President (or, in the absence of the President, when necessary, his/her designee) upon recommendation of the Chief Medical Officer and Chairman of the applicable clinical department. Temporary privileges are granted on a time limited basis; in most cases, these privileges are granted for one to two days, or are granted to allow performance of a limited number of procedures, or *locum tenens* services over a period of time not to exceed 120 days. Temporary privileges are not intended to be utilized by current applicants for clinical privileges at the Hospital who have not yet received them. Granting of temporary clinical privileges shall be subject to a processing fee and the discretion of the Hospital.
 - 10.4.1 The following procedures shall be followed and criteria shall be met prior to the granting of temporary clinical privileges:
 - 10.4.1.1 A written request for temporary privileges shall be submitted to the Chief Medical Officer by the Chairman; the Chief Medical Officer shall forward such request to the President (or, in the absence of the President, his/her designee) with his/her recommendation. The following information shall be included in the request:
 - 10.4.1.1.1 reason for the request;
 - 10.4.1.1.2 name of the LIAP or AHP requesting temporary privileges;
 - 10.4.1.1.3 specific clinical privileges being requested
 - 10.4.1.1.3.1 if duration of temporary privileges requested is greater than thirty (30) days, the applicant shall complete the applicable privilege delineation form and submit appropriate documentation

- for specialized procedures;
and
 - 10.4.1.1.4 date and time (duration) privileges are needed.
 - 10.4.1.2 The following documents shall be attached to the request and forwarded to the Chief Medical Officer's office or UHCD:
 - 10.4.1.2.1 copy of current Ohio professional license;
 - 10.4.1.2.2 current certificate of professional liability insurance covering the scope of privileges requested, in compliance with University Hospitals Cleveland Medical Center Medical Staff Rules and Regulations;
 - 10.4.1.2.3 current curriculum vitae (CV);
 - 10.4.1.2.4 proof of legal permanent residency or proper visa for the clinical privileges requested, if not a United States citizen;
 - 10.4.1.2.5 documentation demonstrating current competence in the area of privileges requested;
 - 10.4.1.2.6 completed temporary privileges application
 - 10.4.1.2.6.1 if duration of temporary privileges requested is greater than thirty (30) days, the applicant shall complete the credentialing application form prescribed by the Ohio Department of Insurance and UHHS Initial Credentialing Application; and
 - 10.4.1.2.7 signed University Hospitals Corporate Compliance Certification;
 - 10.4.1.2.8 Nurse practitioners and clinical nurse specialists. Current, fully-executed standard care arrangement with member of the Hospital's Active Medical Staff, in good standing, privileged in the same specialty.
 - 10.4.1.2.9 Physician assistants. Current, fully-executed supervision agreement, approved by the State Medical Board of Ohio, authorizing as supervising physician a member(s) of the Hospital's Active Medical Staff, in good standing, privileged in the same specialty.
 - 10.4.2 If approved by the President (or, in the absence of the President, when necessary, his/her designee), the written request and/or documents shall be forwarded to UHCD for processing and filing.
 - 10.4.3 UHCD is responsible for querying the National Practitioner Data Bank, if applicable; verifying Ohio licensure, criminal background check, liability insurance, and clinical competence; entering the

information into the applicable information system; and notifying the appropriate Hospital departments.

- 10.4.4 Any practitioner for whom temporary privileges are requested must satisfy the requirements of the Hospital Communicable Diseases Policy. Temporary privileges will only be granted when the practitioner provides written results of Hepatitis B and TB screening (in accordance with the Hospital Communicable Diseases Policy) to the Corporate Health Department.
- 10.4.5 Submission of applicable processing fee.
- 10.4.6 A minimum of one week's advance notice shall be required for processing temporary privilege requests. Granting of temporary privileges is contingent upon satisfaction of all above criteria.
- 10.4.7 UHCD will notify the applicant of approval of his/her request for temporary privileges no later than sixty (60) days after approval.
- 10.4.8 The denial, termination, reduction or restriction of temporary privileges shall not give rise to any right to a hearing or appellate review under Section 12.0.
- 10.5 During a local, state, or national disaster in which the Hospital's emergency management plan has been activated, and the Hospital is not able to handle the immediate needs of patients, disaster privileges may be granted to volunteers eligible to be LIAPs or AHPs who are not privileged by the Medical Staff.
 - 10.5.1 Any practitioner providing patient care must be granted privileges prior to providing patient care, even in an emergency/disaster situation. The practitioner granted disaster privileges is assigned to a clinical department of the medical staff and paired with a member of the Active Medical Staff in the same specialty and discipline. Disaster privileges are granted on a time-limited basis, for the duration dictated by the emergency management plan. Disaster privileges do not confer any status on the Medical Staff or at the Hospital.
 - 10.5.2 Any physician, oral and maxillofacial surgeon, dentist, psychologist, Advanced Practice Registered Nurse, or physician assistant not privileged by the Medical Staff, or other licensed independent practitioners approved by the President and Chief Medical Officer, and presenting themselves as volunteers to render their services during an emergency or disaster shall be processed accordingly.
 - 10.5.3 President or Chief Medical Officer, or their designee, has Privileging Authority to grant Disaster Privileges.
 - 10.5.4 Responsibilities of Privileging Authority:
 - 10.5.4.1 Not required to grant privileges to any individual;

- 10.5.4.2 Granting of disaster privileges is on a case-by-case basis when an emergent patient care need mandates an immediate authorization to practice, in accordance with the needs of the Hospital and its patients, and on the qualifications of its volunteer practitioners;
- 10.5.4.3 Authorization based on, at minimum, receipt of a key identification document (see below), completion of the *Medical Staff Plan for Disaster Privileges Request Form* and acknowledgement of *Medical Staff Plan for Disaster Privileging: Practitioner Responsibilities*.
- 10.5.4.4 Assign, or appoint designee to assign, the volunteer practitioner to a clinical department and assign an Active Medical Staff member of the same specialty and discipline to pair with/supervise the volunteer practitioner for the duration of the disaster privileges.
- 10.5.4.5 Document initial authorization to practice.
- 10.5.4.6 Review verified credentials once immediate situation is under control.
- 10.5.4.7 Include responsibilities of the Privileging Authority and the mechanism for managing individuals who receive disaster privileges in Hospital's emergency management plan.
- 10.5.5 The practitioner shall first be routed to the UHCD Office (or specified area) for:
 - 10.5.5.1 Identification
 - 10.5.5.2 Pairing
 - 10.5.5.3 Authorization
 - 10.5.5.4 Verification
 - 10.5.5.5 Documentation
- 10.5.6 Disaster Privileging Process Identification
 - 10.5.6.1 Personal Identification and Authorization to Practice, evidenced by a valid government-issued photo identification issued by a state or federal agency (e.g., driver's license or passport) and at least one of the following:
 - 10.5.6.1.1 Current Hospital/entity identification card that clearly identifies the professional designation, or
 - 10.5.6.1.2 Proof of current license/registration/certification to practice (e.g., documentation from Ohio licensure board), or
 - 10.5.6.1.3 Primary source verification of the license/registration/certification to practice, or
 - 10.5.6.1.4 Identification indicating that the individual is a member of a Disaster Medical Assistant Team (DMAT), or MRC, ESAR-VHP, or other recognized state or federal organizations or groups, or
 - 10.5.6.1.5 Identification indicating that individual has been granted authority to render patient

- care, treatment, and services in disaster circumstances, such authority having been granted by a federal, state, or municipal entity, or
- 10.5.6.1.6 Identification by a current member of the Hospital, Medical Staff, or LIAP/AHP with current Hospitals privilege who possesses personal knowledge regarding practitioner's ability to act as an LIAP or AHP during a disaster.
 - 10.5.6.2 After completion of the personal identification process detailed above, the practitioner shall be given the standardized regional Disaster Privileges badge by UHCD to assure ready identification of the volunteer. The badge shall include name, degree/title, ID number, start date of disaster privileges, any limitations, name of Medical Staff member paired with volunteer, name of issuing UHCD staff, and authorization to practice by the Privileging Authority if clinical practice approved for immediate situation, prior to completion of credentials verification.
- 10.5.7 Disaster Privileging Process: Pairing
 - 10.5.7.1 The Medical Staff shall oversee the professional practice (care, treatment, and services provided) of volunteer LIAP/AHP practitioners through direct observation, mentoring, and clinical record review. The Privileging Authority or designee shall assign the volunteer practitioner to a clinical department and assign a member of the Active Medical Staff in the same specialty and discipline to pair with/supervise the volunteer practitioner for the duration of the disaster privileges.
 - 10.5.8 Disaster Privileging Process: Authorization
 - 10.5.8.1 The Privileging Authority may authorize disaster privileges for the immediate situation after all of the following requirements are met:
 - 10.5.8.1.1 Presentation of key identification document by practitioner per Section 10.5.6;
 - 10.5.8.1.2 Completion of the *Medical Staff Plan for Disaster Privileges Request Form* and acknowledgement of *Medical Staff Plan for Disaster Privileging: Practitioner Responsibilities* by practitioner;
 - 10.5.8.1.3 Assignment to clinical department and pairing with Active staff member in same specialty and discipline by privileging authority or designee;
 - 10.5.8.1.4 Standardized regional Disaster Privileges badge issued by UHCD personnel;
 - 10.5.8.1.5 The Hospital makes a decision based on information obtained regarding the

professional practice of the volunteer within 72 hours related to the continuation of the disaster privileges initially granted.

- 10.5.9 Disaster Privileging Process: Verification of Credentials and Privileges:
 - 10.5.9.1 A disaster privileges credentials file shall be maintained by UHCD for each practitioner granted disaster privileges;
 - 10.5.9.2 Practitioner shall fully complete a *Medical Staff Plan for Disaster Privileges Request Form*, including attestation; and
 - 10.5.9.3 Practitioner shall present proof of Ohio licensure/certification/registration, DEA (if applicable) and current certificate of liability insurance, where feasible.
 - 10.5.9.4 UHCD shall verify/query Ohio professional licensure/certification/registration as soon as the immediate situation is under control, within 72 hours from the time the volunteer presents to the Hospital.
 - 10.5.9.4.1 If extraordinary circumstances prevent primary source verification with 72 hours (e.g., no means of communication or lack of resources), verification will be done as soon as possible. UHCD shall document the following:
 - 10.5.9.4.1.1 Why the verification could not be performed in the required time frame
 - 10.5.9.4.1.2 Evidence of a demonstrated ability to continue to provide adequate care, treatment, and services, and
 - 10.5.9.4.1.3 An attempt to rectify the situation as soon as possible.
 - 10.5.9.4.1.4 Primary source verification of licensure is not required if the volunteer practitioner has not provided care, treatment, and services under the disaster privileges.
 - 10.5.9.5 UHCD shall verify/query the following when possible:
 - 10.5.9.5.1 Proof of legal permanent residency or proper visa for the clinical privileges requested, if not a United States citizen
 - 10.5.9.5.2 Current certificate of professional liability insurance
 - 10.5.9.5.3 DEA certification, if applicable
 - 10.5.9.5.4 Board certification or education and training if not board certified
 - 10.5.9.5.5 Privileges and status at primary hospital/entity
 - 10.5.9.5.6 National Practitioner Data Bank.

- 10.5.9.5.7 Primary source verification or inquiry is not required if the volunteer practitioner has not provided care, treatment, and services under the disaster privileges
- 10.5.9.6 The Privileging Authority or designee will review and sign off on the credentials file of each practitioner granted disaster privileges.
- 10.5.9.7 UHCD shall notify appropriate Hospital departments, when feasible.
- 10.5.9.8 If any negative information is obtained during the credentials verification process, it shall be reviewed by the Privileging Authority, who shall determine if the practitioner shall be required to immediately cease and desist clinical services, relinquish the standardized regional Disaster Privileges badge, and submit documentation of all clinical activities performed on the *Medical Staff Plan for Disaster Privileges Patient Documentation Form*.
- 10.5.9.9 The denial, termination, reduction or restriction of disaster privileges shall not give rise to any rights contained in the bylaws, rules, or policies and procedures of the Hospital and Medical Staff or UHHS, including but not limited to a hearing or appellate review.
- 10.5.10 Disaster Privileging Process: Documentation.
 - 10.5.10.1 Disaster privileges credentials file is created by and maintained in UHCD for each practitioner. It shall contain the following, when feasible:
 - 10.5.10.1.1 Completed *Medical Staff Plan for Disaster Privileges Request Form* (application) with credentials checklist
 - 10.5.10.1.2 Signed *Medical Staff Plan for Disaster Privileging: Practitioner Responsibilities*
 - 10.5.10.1.3 Copy of personal identification per Section 10.5.6
 - 10.5.10.1.4 Copy of proof of legal permanent residency or proper visa for the clinical privileges requested, if not a United States citizen
 - 10.5.10.1.5 Verification of Ohio licensure
 - 10.5.10.1.6 Verification of board certification or education and training
 - 10.5.10.1.7 Verification of status at primary hospital/entity
 - 10.5.10.1.8 Verification of professional liability insurance coverage
 - 10.5.10.1.9 Verification of DEA certification, if applicable
 - 10.5.10.1.10 National Practitioner Data Bank query
 - 10.5.10.1.11 Approval of Privileging Authority

- 10.5.11 Disaster privileges are valid only for the duration of the declared disaster and terminate automatically when the Hospital's emergency management plan is deactivated.
- 10.5.12 A list of patients treated by the practitioner granted disaster privileges shall be documented on the *Medical Staff Plan for Disaster Privileges Patient Documentation Form* and maintained in the practitioner's credentials file.
- 10.6 In the case of an emergency, any individual LIAP or AHP with clinical privileges is "temporary privileged" to provide any type of patient care necessary as a life-saving measure or to prevent serious harm—regardless of his or her current clinical privileges—if the care provided is within the scope of his/her license/certification/registration.
- 10.7 Clinical privileges with supervision may be granted to a LIAP or AHP in accordance with Hospital policy. Proctoring shall not be considered an adverse privileging action, provided that the action is for an evaluative or teaching purpose.
- 10.8 Any qualifications, requirements or limitations in this section or any other section of this Policy not required by law or governmental regulation, may be waived at the discretion of the President (or, in the absence of the President, when necessary, his/her designee), upon determination that such waiver will serve the best interests of the patients and of the Hospital, and provided that the Chief Medical Officer has given prior approval of such request. All such requests shall be submitted in writing to the Chief Medical Officer.

11.0 CORRECTIVE ACTION

- 11.1 All LIAPs and AHPs (regardless of employer) are subject to the provisions as outlined in the University Hospitals Corrective Action Policy HR-72. .
- 11.2 Automatic Suspension and Revocation.
 - 11.2.1 License/Certification/Registration: If a LIAP's or AHP's license/certification/registration to practice his/her profession in the State of Ohio is revoked or suspended, or otherwise limited in any way, or if a LIAP's or AHP's respective licensing board limits the LIAPs or AHP's authority to practice without actually restricting or limiting the provider's license/certification/registration, or if he/she fails to renew such license/certification/registration, then the clinical privileges of such LIAP or AHP shall immediately and automatically be suspended. If a LIAP's or AHP's license/ certification/registration to practice his/her profession in the State of Ohio is revoked, then the clinical privileges and admitting privileges, if granted, of such LIAP or AHP shall immediately and automatically be revoked.
 - 11.2.2 Drug Enforcement Administration Registration:

**University Hospitals Cleveland Medical Center
Privileging Policy for Licensed Independent Affiliate Health Care
Practitioners (LIAP) and Allied Health Professionals (AHP)
February 20, 2025**

- 11.2.2.1 A practitioner whose DEA registration is revoked or suspended or voluntarily relinquished shall have his/her clinical privileges suspended immediately and automatically. As soon as reasonably possible after such automatic suspension, the Chair of the Credentialing Committee and the Chairman shall convene to review and consider the facts under which the DEA registration was revoked or suspended or relinquished. The Chair of the Credentialing Committee and the Chairman may then recommend to the Chief Medical Officer such further corrective action as is appropriate to the facts disclosed in their investigation.
- 11.2.3 Conviction of a Felony: Upon exhaustion of appeals after conviction of a felony of a LIAP or AHP, or upon the practitioner's plea of guilty thereto, in any court in the United States, either federal or state, the LIAP's or AHP's clinical privileges and admitting privileges, if granted, shall be automatically revoked. Revocation pursuant to this Section of the Policy does not preclude the LIAP or AHP from subsequently applying for clinical privileges.
- 11.2.4 Program Exclusion. A LIAP's or AHP's clinical privileges and admitting privileges, if granted, shall be automatically suspended in the event the practitioner is excluded or debarred from participation in Medicare, Medicaid or any other federal or state health care program.
- 11.2.5 Communicable Disease Policy. All LIAPs and AHPs (regardless of employer) are subject to the provisions as outlined in UH Policy Corporate Health Infection Control Program. An LIAP or AHP who does not comply with this policy shall have his/her clinical privileges and admitting privileges, if granted, suspended immediately and automatically until the LIAP or AHP has complied with such communicable diseases policy.
- 11.2.6 University Hospitals Corporate Compliance. A LIAP or AHP who has failed to comply with the training and reporting requirements of any Hospital or University Hospitals Health System Organizational Integrity and/or Corporate Compliance Program or Policy, in accordance with the stated program or policy, shall have his/her clinical privileges and admitting privileges, if granted, suspended immediately and automatically until the LIAP or AHP has complied with all such requirements.
- 11.2.7 Professional Liability Insurance Coverage. A LIAP or AHP who does not provide evidence of current professional liability insurance coverage in accordance with University Hospitals Cleveland Medical Center Medical Staff Rules and Regulations, shall have his/her clinical privileges and admitting privileges, if granted, suspended immediately and automatically until the LIAP or AHP has complied with such policy.

- 11.2.8 Mandatory Professional Education. A LIAP or AHP who does not provide satisfactory evidence of completing Hospital mandatory professional education programs, as defined by the Chief Medical Officer and the President, shall have his/her clinical privileges and admitting privileges, if granted, suspended immediately and automatically until the LIAP or AHP has provided such evidence.
- 11.2.9 Three-Month Limit for Suspensions. In the event that a LIAP or AHP has failed to cure the violation resulting in his or her automatic suspension within three (3) months, the clinical privileges of such LIAP or AHP shall be automatically terminated. Such LIAP or AHP shall be considered to have voluntarily resigned the privileges.
- 11.2.10 Fair Hearing Rights. A LIAP or AHP whose authorization to practice been automatically suspended or revoked by operation of this Section 11 may request the fair hearing outlined in Section 12 to establish that the automatic suspension or revocation was in error. The invoking of an automatic suspension does not preclude initiation of corrective action pursuant to this Section 11.
- 11.3 Continuity of Patient Care. Upon the imposition of the LIAP's or AHP's suspension or the occurrence of an automatic suspension, the Chairman of the Clinical Department to which the suspended LIAP or AHP is assigned shall provide for alternative coverage of the Hospital patients assigned to the suspended LIAP or AHP.

12.0 FAIR HEARING RIGHTS

- 12.1 The following recommendations or actions shall, if deemed adverse pursuant to Section 12.2, entitle the LIAP or AHP to fair hearing rights outlined in Section 12.3:
 - 12.1.1 Denial of initial clinical privileges;
 - 12.1.2 Denial of renewal of clinical privileges;
 - 12.1.3 Revocation of clinical privileges;
 - 12.1.4 Reduction or restriction of clinical privileges; or
 - 12.1.5 Terms of probation.
- 12.2 When Deemed Adverse
 - 12.2.1 Recommended by Clinical Council; or
 - 12.2.2 Suspension continued in effect after review by Clinical Council and/or Board of Directors; or
 - 12.2.3 Taken by the Board of Directors
 - 12.2.4 Imposed automatically under Section 11.

12.3 Fair Hearing Rights

12.3.1 The LIAP applicant (and his/her collaborating physician, as appropriate) or AHP applicant (and his/her supervising physician, as appropriate) shall have the right to meet personally with a Review Committee formed of the pertinent Chairman, Chairman of the Credentialing Committee, and chaired by the Chief Medical Officer (or his/her designee) to discuss the recommendation or action. The Chief Medical Officer may appoint additional members to this committee at his/her discretion.

12.3.2 The LIAP or AHP applicant must request such a meeting in writing to the Chief Medical Officer within 10 days of receiving notice of the recommendation or action.

12.3.3 The Chief Medical Officer shall promptly schedule the meeting with parties enumerated in 12.3.1.

12.3.4 At the meeting, the applicant may discuss, explain, or refute the recommendation or action, but such a meeting shall not constitute a hearing and none of the procedural rules provided for in the Medical Staff Bylaws, corporate bylaws, or other Hospital policy with respect to hearings shall apply.

12.4 The Chief Medical Officer shall submit the Review Committee's recommendation to sustain, reduce or revoke the action taken pursuant to Section 12.2 to the next scheduled Clinical Council and Board of Directors.

12.5 LIAPs and AHPs employed by the Hospital are entitled to any rights as determined by the Hospital's employment policies and procedures.

12.6 Non-Hospital LIAPs follow the procedures of their employing organizations.

13.0 RESPONSIBILITIES OF THE COLLABORATING OR SUPERVISING PHYSICIAN

13.1 Licensure.

13.1.1 Each collaborating or supervising physician shall maintain, without restriction or condition, his/her license to independently practice medicine in the State of Ohio.

13.1.2 The collaborating or supervising physician is responsible for advising all LIAPs with whom he/she collaborates and all AHPs whom he/she supervises of any change in status of licensure.

13.2 Medical Staff membership.

13.2.1 Each collaborating or supervising physician shall be a member in good standing of the University Hospitals Cleveland Medical

Center Active Medical Staff, with clinical privileges and actively practicing in same or similar specialty as the LIAP or AHP.

- 13.2.2 The collaborating or supervising physician is responsible for advising all LIAPs with whom he/she collaborates and all AHPs whom he/she supervises of any change in Medical Staff status, including but not limited to termination, LOA, suspension of privileges, and change from Active Medical Staff.
- 13.3 Standard care arrangement for Nurse Practitioners and Clinical Nurse Specialists (LIAP).
 - 13.3.1 The collaborating physician shall enter into and abide by criteria in the LIAP's specific standard care arrangement for each LIAP with whom he/she collaborates, according to Ohio Revised Code 4731.27. The standard care arrangement shall comply with Hospital standards.
 - 13.3.2 Prescriptive authority.
 - 13.3.2.1 The standard care arrangement shall include a written supplement establishing arrangement for prescribing drugs and therapeutic devices, as applicable. The standard care arrangement shall comply with Hospital standards.
 - 13.3.2.2 The collaborating physician shall collaborate with not more than three LIAPs in the prescribing component of the LIAPs' practices.
- 13.4 Supervision Agreement for Physician Assistants.
 - 13.4.1 The supervising physician shall enter into and abide by criteria in the physician assistant's supervision agreement for each physician assistant he/she supervises, according to the Ohio Revised Code Section 4730.21. The supervision agreement shall be approved by the State Medical Board of Ohio and comply with Hospital standards.
 - 13.4.2 The supervising physician shall comply with OAC 4730-2 when delegating prescriptive authority to a physician assistant with a certificate to prescribe from the State Medical Board of Ohio.
- 13.5 Arrange for coverage in absence. The Medical Staff member is responsible for notifying the LIAP and arranging for a substitute collaborating physician and notifying the AHP and arranging for a substitute supervising physician when the Medical Staff member is unable to fulfill those responsibilities.
- 13.6 Ohio Revised Code. The collaborating or supervising physician shall be knowledgeable of and comply with all sections of the most current Ohio Revised Code that apply to LIAPs and AHPs practice and responsibilities of the collaborating or supervising physician.

14.0 IMMUNITY FROM LIABILITY

- 14.1 The following shall be express conditions to any LIAP's or AHP's application for, or exercise of, clinical privileges at the Hospital.
- 14.2 The LIAP or AHP authorizes representatives of the Hospital and its administrative staff to solicit, provide and act upon information bearing or reasonably believed to bear upon, his/her professional ability, qualifications, competence, and conduct. Representative means the Board of Directors and any member or committee thereof, the Chief Medical Officer, the Medical Staff organization, the Chief Nursing Officer, and any member, officer, department, division, service or committee thereof, and any individual authorized by any of the foregoing to perform specific information gathering or disseminating functions.
- 14.3 The LIAP or AHP agrees to be bound by the provisions of this Section 14 and agrees that he/she will not commence a legal action against the Medical Staff or any department, committee, subdivision or member of the Medical Staff of Hospital, or an employee of Hospital, or the Board or any member thereof, for any investigation or action taken in accordance with the provisions of this Policy.
- 14.4 The LIAP or AHP acknowledges that the provisions of this Section 14 are express conditions to his/her application for, or acceptance of, his/her exercise of clinical privileges at the Hospital.
- 14.5 The LIAP or AHP agrees and acknowledges that Hospital may confidentially share any information about the LIAP or AHP, including, but not limited to credentialing, privileging, peer review, and/or disciplinary information about the LIAP or AHP, with any other University Hospitals Health System hospital or entity regardless of whether that information has been forwarded to the Ohio State Medical Board, Ohio Board of Nursing, or the National Practitioner Data Bank.
- 14.6 Confidentiality of Information. Medical Staff, department, division, or committee minutes, files, and records, including information regarding any current or applicant for clinical privileges as a LIAP or AHP, shall be confidential as mandated by Ohio Revised Code Section 2305.24 et seq. Dissemination of such information and records shall only be made where expressly required by law, or pursuant to officially adopted policies of the Medical Staff or Hospital, which at all times shall be consistent with Ohio Revised Code Section 2305.24 et seq. Disclosure of information may only be done as required by law.
- 14.7 Breach of Confidentiality. Inasmuch as effective peer review and consideration of the qualifications of members and applicants to perform specific procedures must be based on free and candid discussions, any breach of confidentiality of the discussions or deliberations of medical staff departments, divisions, or committees, except in conjunction with another hospital, professional society, or licensing authority, is outside appropriate standards of conduct for the LIAP or AHP and may violate provisions of the Ohio Revised Code, imposing civil liability. If it is

determined that such a breach has occurred, the Clinical Council, or the Board, may undertake such corrective action as it deems appropriate.

- 14.8 Immunity from Liability for Action Taken. Each representative of the Medical Staff and Hospital shall be exempt, to the fullest extent permitted by law, from liability to an applicant or privileged LIAP or AHP for damages or other relief for any action taken or statements or recommendations made within the scope of his duties as a representative of the Medical Staff or Hospital.
- 14.9 Immunity from Liability for Providing Information. Each representative of the medical staff and Hospital and all third parties shall be exempt as mandated by Ohio Revised Code Sections 2305.24 et seq. and 42 U.S.C. 11111, from liability to an applicant or a privileged LIAP or AHP for damages for providing information to a representative of the Medical Staff or Hospital concerning such individual who is, or has been, an applicant or privileged LIAP or AHP or who did, or does, exercise clinical privileges or provide services at this Hospital
- 14.10 Activities Covered. The confidentiality and immunity provided by this Section 14 shall apply to all acts, communications, reports, recommendations, or disclosures performed or made in connection with the activities of this or any other educational or health-related institution or organization concerning, but not limited to:
 - 14.10.1 Applications for clinical privileges;
 - 14.10.2 Periodic reappraisals for renewal of clinical privileges;
 - 14.10.3 Corrective action, including summary suspension;
 - 14.10.4 Fair hearing rights;
 - 14.10.5 Performance improvement activities;
 - 14.10.6 Utilization reviews;
 - 14.10.7 Participation in the UHHS or Hospital's delegated credentialing program;
 - 14.10.8 Other Hospital, department, division, committee and subcommittee activities related to monitoring and maintaining quality patient care and appropriate professional conduct; and
 - 14.10.9 Peer review and patient safety organizations, State Medical Board of Ohio, Ohio Board of Nursing and similar reports
- 14.11 Information Covered. The acts, communications, reports, recommendations, disclosures and other information referred to in this Section 14 may relate to a LIAP's or AHP's professional qualifications, clinical ability, judgment, character, information regarding ability to perform any of the physical or mental health functions related to the specific clinical privileges requested as a LIAP or AHP, with or without accommodation, professional ethics, ability to work cooperatively with
