**All charges are subject to change without notice.**

Patients may have additional charges depending on the service performed.

These charges do not include fees for the services of hospital based anesthesiologist, radiologist, pathologist, and emergency room physicians.

If you received services at UH Conneaut Medical Center, your hospital charges are managed through the Central Business Office of University Hospitals.

Shortly after receiving services, you will receive your Personal Account Statement. The statement is generated and mailed to you at the same time your charges are submitted to your insurance carrier.

In addition to your hospital bill, you may receive separate bills from your physician or other professional service providers involved in your hospital care. If you have a question regarding your Hospital Based Physician Bill or would like to make payment, we ask that you contact them directly. Please refer to the Hospital Based Physician Information on this web site.
