KIDS Rainbow Overview

**University Hospitals**

**Rainbow Babies & Children's**

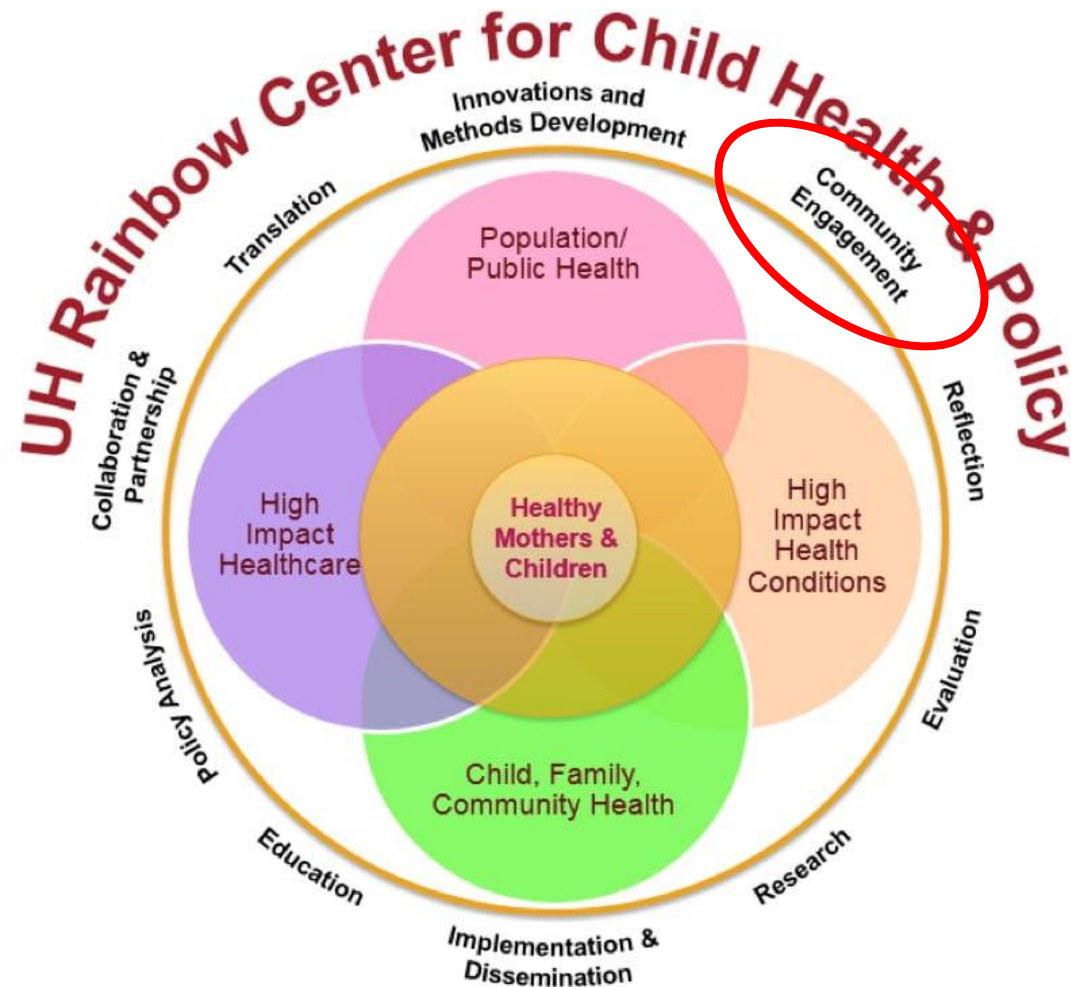

Cleveland | Ohio

# UH Rainbow Center for Child Health and Policy (CCHP)

Founded in 2007 by Dr. Leona Cuttler, CCHP facilitates multidisciplinary, collaborative approaches to increase the understanding of relationships between social, structural, and healthcare needs that influence health outcomes

**Mission:** to enhance the wellbeing of children and their families through research, evaluation, and advocacy that informs innovation in maternal-child health services and policy

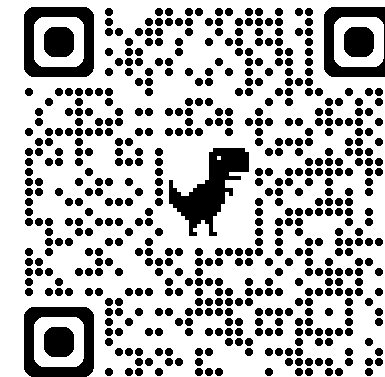

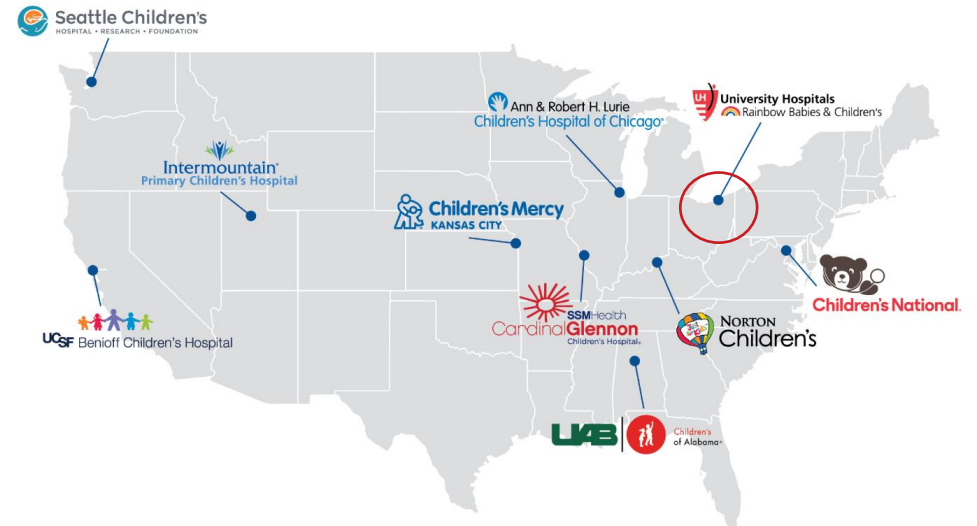

# PPN Pediatric Pandemic Network

The Pediatric Pandemic Network (PPN) aims to ensure high-quality, fair care for children daily and during emergencies. Post-COVID-19, PPN has addressed pediatric care deficiencies by sharing resources and expertise.

The network includes 10 children's hospitals, four national partners, and experts from various fields. University Hospitals Rainbow Babies and Children's is one of the lead hub sites within the network and serves as a facilitator in carrying out the mission of PPN by providing guidance and resources to improve disaster response for pediatric populations.

## Our Hubsite Partners

# iCAN (International Children's Advisory Network)

KIDS Rainbow serves as an iCAN chapter

iCAN's mission: To foster a greater global understanding of the importance of the pediatric patient and caregiver voice in healthcare, clinical trials, and research.

Every iCAN Chapter is a unique organization under the global iCAN umbrella, allowing members to select their activities while also participating in suggested programs and speaking opportunities that enhance their engagement and impact in healthcare.

# KIDS Rainbow

## Mission

The Youth Advisory Council (KIDS Rainbow) at University Hospitals was established to center the pediatric patient voice in UH Rainbow's efforts. KIDS Rainbow aim is to encourage and promote a diverse collaboration between youth and the Hospital to address the top health priority needs in the communities they serve.

## Vision

That UH Rainbow initiatives will be driven by the ideas and innovations of the youth it aims to serve.

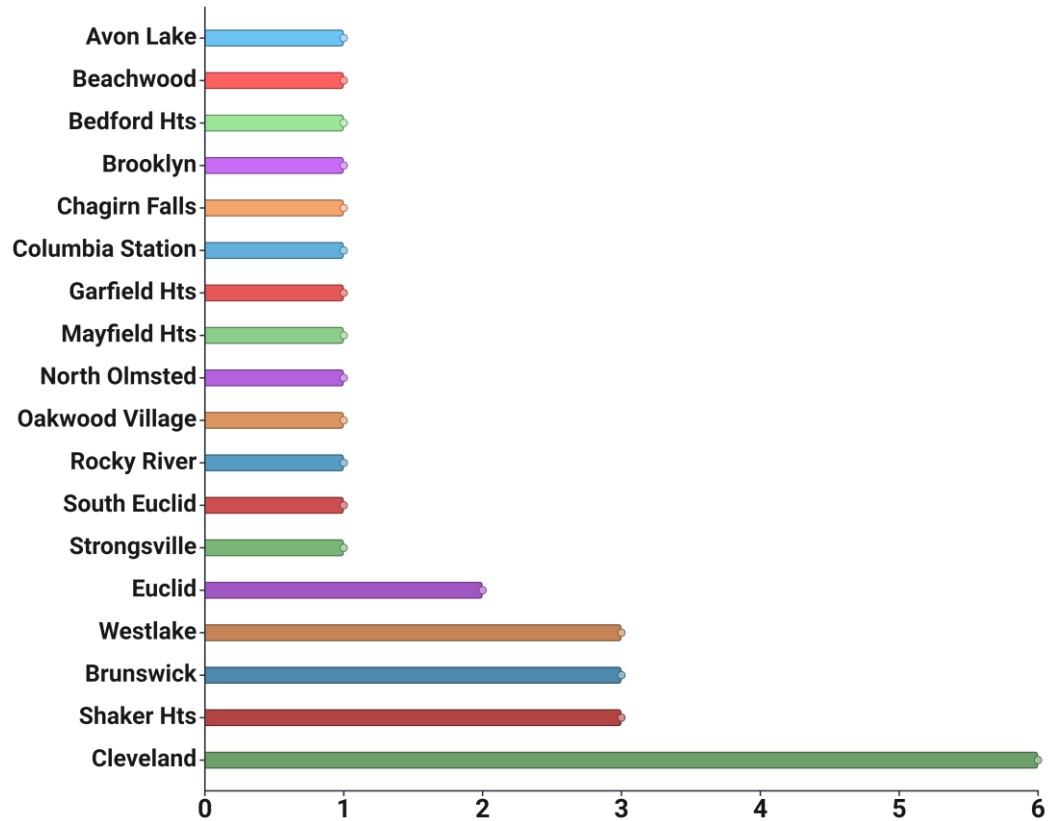

## Goals & Objectives

1. Fostering collaboration for widespread impact
2. Addressing disparities and the impact of emergencies, disasters, and pandemics
3. Advocating for the pediatric voice
